Poème amour

*You are my sunshine
My star shining in the sky
The strength that gives him hope
You are the reason for the resistance*

*You are my present and my futur
The blood that feeds my veins
The angel who lives on my heart
You are the reason for my happiness*

You may write me down in history
With your bitter, twisted lies,
You may tread me in the very dirt
But still, like dust, I'll rise.
Does my sassiness upset you?
Why are you beset with gloom?
'Cause I walk like I've got oil wells
Pumping in my living room.
Just like moons and like suns,
With the certainty of tides,
Just like hopes springing high,
Still I'll rise.

Bonsoir,
Voici le poème fait avec Elina,
Bonne soirée.

Friendship is like gold
Whether young or old
You have to make it grow
And spread it out like a rainbow
And even if you don't follow the rules
Stand proud and don't ignore all calls
Cultivate the soil around the flower
With your friend, the time goes slower.

Poem of love

How many times should I have
Feeling tired and without courage!
But my heart has never lost
His desire for your beautiful face.

In my powerful love you don't have
Since my dove sweetness;
Yet I want that on my grave
We write: She persisted...

Eldina and Marina

ARTHUR H.

Kevätauringon alla meren hiljaisuus on tervetullutta.
Kallioille ja poluille päin nämä
suolaiset peilit heijastavat
meren lahjoja.

Näen sinut tästä katamaraanista,
linnoituksestani, joka kestää myrskyjä.
Siellä ylhäällä sijaitseva vuori tarjoaa voittoa spektaakkelia.
Näe kesä, tekojemme liekki festivaaleillamme.

TOUKO

Under the spring sun,
Let's welcome the silence of the sea.
Facing the rocks and paths,
These salty mirrors gifts of the sea.

I see you from this catamaran,
My Fort braving the storms.
The Mount, up there, offers a triumphant spectacle,
See the summer, the blaze of our artifices during our festivals.

Sous le soleil printanier,
Accueillons le silence de la mer.
Face aux rocs et aux sentiers,
Ces miroirs salins cadeaux de la mer.

Je te vois de ce catamaran,
Mon Fort bravant les tempêtes.
Le Mont, là-haut, offre un spectacle triomphant.
Voit l'été, l'embrasement de nos artifices lors de nos fêtes.

Love has no limit

Love can be everything
Even friendship
Eating food
On anything that exists
Love is not mandatory
But it's necessary
Because we need it
Without love the world is dark

Kiina and Imen

Power of Love

Love is not perfect
But it has many effects
It is here to try
And it never dies

Love is a power
And it is here forever
Deep in my head
Deep in my heart

Poem / Chleo and Eerika

I do not know
If I
will ever be
complete,
but i know
whatever I am
You
will always be
the rest of
Me

Bonjour monsieur
Voilà notre poème

We looked at eachother like unknown
And one day later, we watched our friendship grow

We are best friends
And I don't want it to end

We met a random day
And now, we have to take different ways

Poem

Love

It's a great game

Sometimes you can lose

And sometimes you can win

You are welcome to play anytime, anywhere You can always come back

And start again

It is never too late for love

Hanna, Lisa

A Friend

Have a friend is not always fun
We have to be there for each other
Sometimes there is not always sun
Sometimes it's not easy to be a little happier

But when the sad days are over
Your friend comes like a flower
To make your day better
And think about the sad things later.

If Kisses were raindrops,
I'd send you showers.
If hugs were seconds,
I'd send you hours.
If smiles were water,
I'd send you the sea,
and if Love were a person,
I'd send you ME!

Important to me

How lucky I am

That my life has become a person

Which makes it always hard to

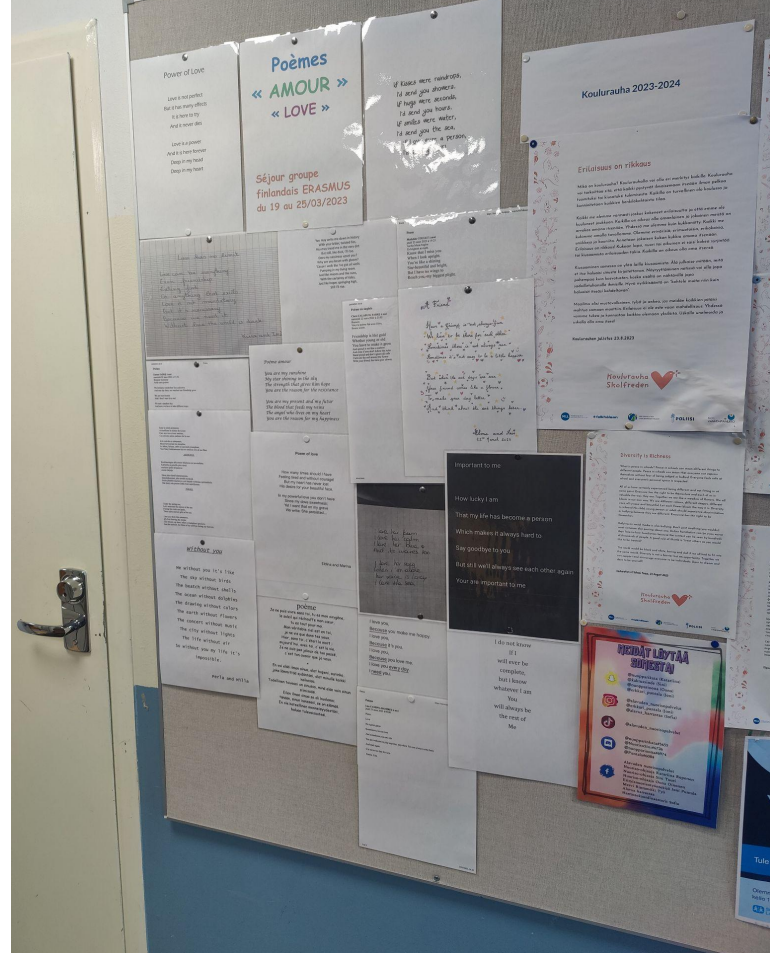

Say goodbye to you

But still we'll always see each other again

Your are important to me

I do not know

If I
