

LEARNING ACTIVITY IN FINLAND BY SPAIN

Topic: *FOOD PYRAMID*

Level : First grade

Materials: Smartboard, computer, book¹, foam, wood sticks, colors, scissor.

Development of activity:

The activity begins with the song *Brocoli ice-cream* as motivating activity.

Then we tell the tale to introducing different types of aliments.

After that the children have to paint the parts of the pyramid food with colors.

Below we put the aliments which appears in the tale in each step of the pyramid.

Finally we do a bookmark using different shapes of the vegetables wich appears in the tale: banana, tomato and apple.
