

Slovenia 2025

Luca, Eelis, Erkka, Martta, Fiianna, Camila, Enna, Amelia, Ella

Traveling day (to Slovenia)

We left 3.45 from Luvia's school. We drove to Helsinki airport. We flew to Wien and there was another taxi waiting for us. We drove to Slovenia from Wien. Then our host families came to pick us up from the school and went to our hosts homes.

Monday

We went to the school and had the opening ceremony. Then we were assigned to our work groups and we did work in workshops. Then we went to Slovenska Bistrica by bus. We visited a aluminum company called Emmy and had a tour around it. After that we had a meeting with the mayor of slovenska Bistrica. Then after that we had a scavenger hunt around the city. We had different tasks that we needed to do. Then when everyone was done the day ended.

MONDAY	
SCHEDULE	
8:00: Welcome at the school	9:45-10:30: Future jobs workshop

Enter the keywords for Slovenian week at this link on
[AnswerGarden](#)

12.30:

Lunch at the school

13.00-14.00:

Future Job Fair: present your job to the community according to the topics

Traveling day (back to Finland)

We said goodbye to our host families. Then we took two cars and drove 3+ hours to Austria, Wien airport. Then we flew back to Finland. We missed our train and our second option bus so we had to wait longer at the airport and then took two different trains to Pori and we were back at midnight. We had a fun trip and we were really tired afterwards.
