Hello!

My name is Pamir. I am 11 years old.

I live in London. I have a nice family. I have one sister.

My sister is older than me. She is 13.

We have a nice house. It is old and small, but we like it.

My mum and dad are at work right now. My mum is

a teacher and my dad has his own shop. My mum likes her job

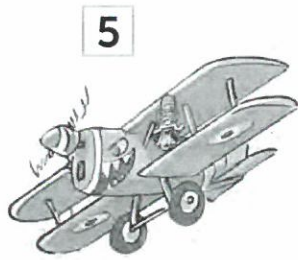

but she has a lot to do. So does my dad. He is at work all the time.

Do you have a nice family? What is your family like?
