Invitation to Sports- and cultural twin city-event for youths May 14-17 2016, Sarpsborg

The city of Sarpsborg, founded by Saint Olaf in 1016, celebrates its millennium jubilee in 2016.

During the year of the jubilee there will be arranged a lot of events focusing on history and social relations. One of the events will be a sports-and cultural event for youths from Sarpsborg and our twin cities Bethlehem, Södertälje, Struer, Forssa, Grand Forks and Berwick up on Tweed.

We hope it can bring important experiences of common values and understanding, as well as athletic and cultural challenges in a playful way.

We want this event to be an interesting, fun and joyful experience for the youths, as well as for their leaders.

A preliminary program is attached, as well as details concerning costs, lodging, travel and enrollment.

We hope to see many young athletes, musicians and singers in Sarpsborg 2016.

Kind regards

Sarpsborg Sports council

and
