Practicalities.

Sports:

We suggest that the main focus will be on;

- Football (teams of 7)
- Floor ball
- Swimming.

Age group: 13-16.

Optionally; Orienteering, golf or karate.

For the team sports it’s desirable with teams divided in age groups 13-14 and 15-16.
If there are too many teams interested, the age group 13-14 should be a priority.

If any of our twin cities have additional suggestions, please let us know.

Brass bands and choirs:

It would be wonderful to have a wide range of brass band and choirs to enrich this event. Brass band will be invited to play in our children parade May 17th.

If there are too many brass bands and choirs interested, the age group 13-16 should be a priority.
