Teacher: Sarra Keppola
Group: KT21LT

New Insights, p.197-198: Aloita lukemalla ohjeet sivulta 197. Huomaa, että valittavanasi on vain kuusi ensimmäistä aihevaihtoehtoa sivulta 198!

TÄRKEÄÄ! Jaa tekstisi kappaleisiin (3–4 kappaletta / kirjoitelma): yhdessä kappaleessa on yksi ydinasia ja muutama sitä tukeva virke, jotka selittävät ydinvirkettä tai antavat siitä esimerkkejä. Ensimmäinen kappale johdattelee aiheeseen ja viimeinen kokooa.

Muista myös:

- Annetussa **merkkimäärässä** on pysyttävä (pieni ylitys sallitaan ylioppilaskirjoituksissa).
- Lyhenteitä saa käyttää (isn't, hasn't, I'm, jne).
- Puhekielisiä ilmauksia EI saa käyttää (mm. ain't, gonna, wanna, 'cause).
- Englannin kielen tavutussäännöt ovat erilaiset kuin suomen, joten älä tavuta sanoja ja jaa niitä riviltä toiselle.

Follow the instructions and write a composition of about 700 – 1300 characters.
Hand in your written assignment to the [assignment folder in peda.net no later than September 23rd, 2021.](#)

You are evaluated on your ability to produce fluent, coherent and grammatically correct language. Special focus will be on the correct use of the tenses (=aikamuodot), as well as coherent use of paragraphs (=kappalejako).

Choose one of the following topics:

1. I love that language

Which language plays a big role in your life? Why is it important to you and other people? Why should other people learn it?

2. A sightseeing tour in my room

An exchange student has come to stay with your family. You've been showing the guest around your home. Next you arrive in your room. What is there? Act as a tourist guide giving a tour in your room making it seem like the most interesting place to visit.

3. If I could change one thing about me

You are perfect. You know that. But there might still be room for minor improvement. If you could, what is the thing you would like to change? Why?

4. My secret talent

Different kinds of talent shows are very popular nowadays. There are many talented people who want to impress us with their skills. Then there are people who wouldn't be caught dead performing publicly. Which one are you? What is your secret talent? Will it remain a secret?

5. Five things I couldn't live without

Yes, all right, we all need food and drink and shelter. But if your basic needs were satisfied which five things would be next on your list of essential items?

6. If I could go back in time

Time travel is not yet possible but let's imagine it was. How far back in time would you like to go and why?

You will receive a grade (4-10) on your written assignment, which will affect your grade of ENA1-module along with the exam on 30th September.
