My name *

Cheriaux Guillaume

1. Workplace name? Basic information about the enterprise/work place? What is made/produced /services there? How many people were working there? *

The name of this factory is "cognifide". This enterprise create lots of website. They are professional on informatic. There is 300 people who work in this entreprise in Poland.

2. What was your first impression about the work place? How were you welcomed? How was the atmosphere/work climate during your work experience? How did they introduce you the work place/premises? Were the workers busy? Was the atmosphere busy? *

The work place was very welcoming and the employees was very kind with us. The atmosphere was cool, they presente us their entreprise during a meeting which took place in the meeting room .It seems that the workers was very happy to work in this entreprise.

3. Which qualifications did the workers need for their work? What kind of education was required to work there? *

They have to be ingenior = 5 years of studies.They have to be able to create some programmms.

4. Were there rules about clothing? Was there business confidentiality? *

It seems that the workers wear what they want so it's cool for them because they feel like if they were at home. So I think that they feel good.

5. Did the workers get fringe benefits like a company phone/free calls, lunch, a work canteen, a gym? *

The company gives some options to the workers. Because they can do some sports, eat fruits, have breaks, play together to ping pong or something like that when they want. On top of that you can have some free medical visits.

6. What were your tasks at work? What did you do exactly? *

We just heard the workers speaking about their work.

7. How well did the staff members work with each other? *

There is a team work. And the people are happy to work together in "cognifide".

8. Which IT-skills did an employee need for working in this enterprise/profession? *

To be ingenious and of course be able to speak English.

9. Did the enterprise have an international customer base? If so, how could this be seen at the workplace? *

In New-York and London.

10. Were the staff multilingual? Did the staff need any foreign languages at this enterprise? *

They have to speak English.

11. Did you think that this industry is prospering? *

Yes, of course because we are in the 21 centuries so the technology are in our life and we need some ingenious.

12. What did you learn during your work experience? *

I learnt some informations about the programming but I was very difficult to understand because of the language barrier.

13. Did you learn anything new about yourself during your work experience? *

Not really.

Make a small video!The advice for making the video: My work experience at..... have you in the paper you have got from your teacher. A *

O
