

Aisha has been	interested	invited	invented	to come to a job interview at the hospital.
She feels very	charger	nervous	smartphone	, but also confident.
She is	experienced	exciting	exit	for the work she is applying for.
	Welcome	Welcame	Wellcome	!
	How are you?	How you are?	How you is?	
I'm fine,	tank	bank	thank	you.
I'm a	cattle	bottle	little	nervous.
I'm	please	pleased	placed	to have this opportunity.
I can tell you	more	bore	door	about myself.
Tell me	nothing	somewhere	something	about yourself.
I was	worn	mourn	born	in Iraq.
I have done	me	mine	my	nursing degree there.
I graduated	on	at	in	early 2016.
After that I	worked	working	works	in a hospital in Iraq.
I updated my skills	too	two	to	meet the Finnish standards.
I have	be	been	being	working in the City Hospital since August.
Why did you apply	four	fore	for	this position?
I thought working	in	on	at	the private sector would be good.
It would	offer	often	suffer	me new opportunities.
I could	envelope	develop	elope	my skills more.
I want to	showing	showed	show	all of my skills.
What are your	strengths	strengthens	strengthen	?
I am	patience	patent	patient	with people.
I am	pathetic	empathetic	accordance	and a good listener.
I am also a fast	learn	learning	learner	.
I	are not	is not	am not	afraid of hard work.
Where	would you	you would	would I	need to develop yourself?
The field of	opportunity	flexible	medicine	develops all the time.
I would like	to learn	to learned	to learning	more about the latest advancements.
I should also	observe	solve	improve	my Finnish skills.
I would like to learn	door	pore	more	about the new treatments.
I haven't lived	dear	ear	here	that long yet.
Why would you	be	bee	been	the perfect candidate for us?
I am really	food	good	hood	with patients.
I	respect	recycle	reuse	the patients.
I have a natural	day	say	way	with them.
I am good	hat	rat	at	solving problems.
Where	you see	see you	do you see	yourself in 5 years' time?
I see myself	doing	going	being	the job that I love.
The job	are	be	is	working as a practical nurse.
Do you have	money	sunny	any	questions for us?
Do you offer your	employees	qualified	diverse	chances to get specialised training?
We see regular	raining	training	responsible	as a very important part of the job.
Sounds	perfect	position	medication	.
Thank you very	catch	much	match	for coming.
We still have a	update	few	field	more interviews this week.
We will let you	know	no	now	this week.
I'll be looking	trustworthy	references	forward	to hearing from you.
