

# Report - your work experience

Beantworte die Fragen hier!

My name \*

JULIE RAULT

---

1. Workplace name? Basic information about the enterprise/work place? What is made/produced /services there? How many people were working there? \*

I worke two day in Cognifie. They create web apps based on CMS [Content management systeme] and there is 300 employee in Poland.

---

2. What was your first impression about the work place? How were you welcomed? How was the atmosphere/work climate during your work experience? How did they introduce you the work place/premises? Were the workers busy? Was the atmosphere busy? \*

My first impression was pretty good because the employees are really welcoming. The atmosphere is positive, there is respect between employees. They didn't show us the place we stay in a same place during few hours we only moove when we want to eat.

---

3. Which qualifications did the workers need for their work? What kind of education was required to work there? \*

The workers have to know how to speak in english. They need to have some graduation in informatic.

---

4. Were there rules about clothing? Was there busines confidentiality? \*

No they was dress as casual.

---

5. Did the workers get fringe benefits like a company phone/free calls, lunch, a work canteen, a gym? \*

They have some advantages for example there is a library open to every employee, during the years there is lots party between employee in order to meet news people, there is a doctor in order to surveil her health.

---
