

G23

1. My friends, neither of whom like travelling, decided to hike in the forest nearby / nearby forest.
2. They wanted to use the tent (that / which / –) I bought a year ago.
3. I didn't want to let them use the newest hiking gear (that/–) I had.
4. "Do you have to stay overnight in a forest that/which is so close to home?" I asked them.
5. "Sleeping outdoors is exactly what we are looking forward to," they answered/replied.
