

Tehtävä 20, sivu 177

1. The internet has brought us **many opportunities** that didn't exist fifty years ago.
2. We have easy access to **a lot of information** in all areas of life.
3. Never before has it been so easy to communicate with so **many people** from...
4. It has also changed the way we work **a lot**.
5. Just think about how **much time** people save with the option to telework.
6. We don't even need that **many office buildings** anymore.
7. Perhaps within thirty years **most people** will work outside the traditional office.
8. Not everyone will like that idea **very much**.
9. They might **not have much experience** in working from home.
10. Do you think we will lose **many more jobs** to robots in the future?
11. Perhaps. Doesn't it cost **much more money** to hire people than to build robots?
