How do you learn foreign languages? A few methods which you find are good. How would you like to learn foreign languages? A few tips! - Wie lernst du Fremdsprachen? Einige Methoden, die du gut findest! Wie möchtest du Fremdsprachen lernen? Einige Tipps! *

In the UK we have a variety of methods used when learning a foreign language. The most useful method we have found is repeating phrases back to the teacher. We also use word match games on linguascope which is a fun way of learning. Gap fills and partner exercise practice are also some ways in which we learn a foreign language.
