a Lue lauseet parisi kanssa englanniksi.

Herb and Coco
talked on the
phone.

Coco and Hazel
started their trip
to Canada.

Coco's phone showed
that Mustard was
somewhere near
Dawson City.

They climbed hills
and walked along
rivers.

They stopped,
listened and
looked around.

A young man
smiled and waved
at them.

Hazel hugged
and kissed
Mustard.

Gran cooked
dinner for you.
