

A Report of the teachers - Short exchanges

My Name and a short introduction of myself *

My name is Agnieszka Paździor. I've been a teacher of English in IV Liceum Ogólnokształcące in Poznań, Poland for 20 years. My scope of interest are different ways of evaluating students' skills and knowledge during final exams.

I'm also a happy mother of a six-year-old boy.

This is what the teacher should do during the visit

Lehrer: 5 Tage Hospitation

- Muttersprache als Fremdsprache – 1-2 Lektionen CLIL-Methode – kurze Texte – Lesekompetenz wird geübt
- ein paar eigene Methoden in der gastgebenden Schule ausprobieren
- als Team mit dem Partnerlehrer unterrichten
- zukünftige Zusammenarbeit planen
- Bereitstellen von Unterrichtsmaterial von der gastgebenden Schule
- Medienraum, Bibliothek besuchen
- Lehrerfortbildungszentrum zeigen, fakultativ
- außerschulische Lernorte kennen lernen

The report of the methods used during the exchanges *

The method I have used during my CLIL lesson on the history of English language was lecture/question and answer. Lessons that I have observed included pair work, group work, individual study, discussion and flipped classroom.

Something else interesting *

It was interesting to see the different approach to how the form of final exams in foreign languages dermines the way students are taught languages (differences between Poland and Germany).

The best things I have seen *

A lesson on Commonwelath at Helmholtzschule in Frankfurt. I was impressed by the maturity of students and their language competence.
