

A mosaic background composed of small, square tiles in various shades of blue, yellow, and tan. The tiles are arranged in a grid pattern, with some tiles missing or broken, creating a textured and colorful surface.

Good practices on analyzing students' progress and on giving feedback by using digital tools

23.11.2023 Jenni Decandia

How can
digital tools
be used to
give
feedback?

**Digital tools can be used to give
feedback in a variety of ways, including:**

Providing written feedback in online
comments and forums

Recording audio or video feedback

Using rubrics and checklists to provide
structured feedback

eTwinning

Forum
