Mauno Henrik Koivisto (1923-XXXX) valittiin Suomen presidentiksi vuonna 1982. Kansalaisten mielissä Koivisto oli kunnollinen, komea ja leppoisa, mutta politiikan piireissä Koivisto tunnettiin taitavana strategina. Koiviston johdolla Suomi päätti hakea EU:n jäsenyyttä talvella 1992. Toisen presidenttikautensa jälkeen hän vetäytyi Tellervo-puolisonsa kanssa kaupunkikotiin Katajanokalle ja kesäpaikalle Inkoon Tähtelään.

- Radio channels in the UK have a pre-warning system which notifies them a few minutes before the news of Queens death gets out
 - The system was built during Cold War to alert journalists of major news stories
 - These days used mainly to notify of royal family members death or a terrorist attack, for example
 - → Radio channels will change to non-offensive music for a moment before delivering the news
 - The system didn't work when Queen Mother died in 2002 because someone failed to press a button properly

- BBC has rehearsed for years on quiet Sunday mornings
 - One scenario was Queen Mother "choking on a fishbone"
- Newsreaders will wear black suits and black ties, words are chosen carefully
- National anthem will play and the royal standard will be displayed on the screen
- BBC will not play satire TV shows during the next days
- In 2002 when the Queen Mother died, 130 complained about insensitive coverage of her death, 1500 complained about moving Casualty to another channel

- Business should continue as usual on the day she dies
- There will be complicated ceremonies
 - Plans exist for all possible places she might die: palaces, houses etc.
 - Ceremonies will be different for example if she dies in Scotland
- On the next day of the death (D+1) prince Charles will be proclaimed king
 - Someone has to print over 10 000 tickets in 24 hours

- Queens coffin will go on a public tour, and will be publicly displayed in London so people can pay respects
- Funeral day will be a day off
- The coffin will have a false lid because the crown jewels are so heavy
 - Funeral will take place in exactly nine days
 - Huge preparations will be needed, though almost everything is ready in some extent
 - For example candles are already burned in!
- TV cameras will be hided in painted bricks at most events
- Even football stadiums may be opened for memorial services if necessary

- Big Ben will strike at 9am on the morning of the funeral
- The bell will be covered in leather so "it will ring out in muffled tones"
- Death of the Queen marks the end of an era
