How do you learn MINT subjects? A few methods which you find are good. How would you like to learn MINT subjects? A few tips! - Wie lernst du MINT Fächer? Einige Methoden, die du gut findest! Wie möchtest du MINT Fächer lernen? Einige Tipps! *

I am learning "MINT" subjects while I'm listening to music. My best tip is to find something passionate in every subject. For example I love nature (because I'm a scout) and i want to find out more about it so I have motivation to learn geographic and phisics. I also want to be a sportsman, so I like anatomy, but we started from plants during my first lessons of biology and now I don't like this subject.
