

# Report - your work experience

Beantworte die Fragen hier!

My name \*

Franciszek Ślusarski

1. Workplace name? Basic information about the enterprise/work place? What is made/produced /services there? How many people were working there? \*

Budapest Airport

The work place is placed on the south east of Budapest.

The Airport offers flights to all European countries, Asia and North America.

The guide told us, that there are working almost 10 000 people.

2. What was your first impression about the work place? How were you welcomed? How was the atmosphere/work climate during your work experience? How did they introduce you the work place/premises? Were the workers busy? Was the atmosphere busy? \*

My first impression was - "woow, what a big area and, these planes are amazing". I was welcomed as tourist, and nobody wanted anything from me. I understood almost nothing because guide was talking in hungarian language. The guide showed me working people, preparing airplanes and checking their quality. He also showed me the fire brigade building. The atmospher was fine and nobody wanted anything from me.

3. Which qualifications did the workers need for their work? What kind of education was required to work there? \*

There are many of different jobs in airport. For example the guards need only a certificate of no criminal record and basic education to work there. But the personel inside building need the knowledge of hungarian and english.

4. Were there rules about clothing? Was there business confidentiality? \*

The in-building airport personnel needed to wear suits and the outside workers needed to wear reflective shirts.

5. Did the workers get fringe benefits like a company phone/free calls, lunch, a work canteen, a gym? \*

I have no idea, but I think that the lunches are included in workers' contract of employment.

6. What were your tasks at work? What did you do exactly? \*

I could only look. It was a tourist tour instead of work.

7. How well did the staff members work with each other? \*

The staff members have to cooperate to work more efficiently.

8. Which IT-skills did an employee need for working in this enterprise/profession? \*

It depends on which position he was working.

9. Did the enterprise have an international customer base? If so, how could this be seen at the workplace? \*

I have no idea but almost everybody was speaking English, so it wasn't a problem to communicate with people from other countries.

10. Were the staff multilingual? Did the staff need any foreign languages at this enterprise?

\*

The workers needed english to comunicate with tourists.

11. Did you think that this industry is prospering? \*

I think so, but I need closer look to see more clearer.

12. What did you learn during your work experience? \*

I have learned that you can do whatever you want, but you have to work hard to achive comfort.

13. Did you learn anything new about yourself during your work experience? \*

I learned that I am very polite and that I don't have to know everything to talk about everything.

Make a small video!The advice for making the video: My work experience at..... have you in the paper you have got from your teacher. A \*
