

Report - your work experience

Beantworte die Fragen hier!

My name *

Anna Data

1. Workplace name? Basic information about the enterprise/work place? What is made/produced /services there? How many people were working there? *

The name of workplace is vet. I was in Vet office. I was working with animals, for example cows, cats and dogs. In this office were working 4 people.

2. What was your first impression about the work place? How were you welcomed? How was the atmosphere/work climate during your work experience? How did they introduce you the work place/premises? Were the workers busy? Was the atmosphere busy? *

My first impression was very good. They welcomed me there so cheerful. The atmosphere was so nice and we worked hard there, I had a lot of fun. I was introduced by my hosts mum to everyone. They weren't very busy, but we were working a lot and saw how the vets job works. Atmosphere was nice and it was pleasure to work with these people.

3. Which qualifications did the workers need for their work? What kind of education was required to work there? *

They need to know animals illnesses, anatomy and how they react in all situations or on people. You have to study veterinary.

4. Were there rules about clothing? Was there business confidentiality? *

There were no rules about clothing and business confidentiality.

5. Did the workers get fringe benefits like a company phone/free calls, lunch, a work canteen, a gym? *

I think they not, I didn't see anything like that.

6. What were your tasks at work? What did you do exactly? *

I watched what vet was doing and I made an experiment.

7. How well did the staff members work with each other? *

They worked together very well.

8. Which IT-skills did an employee need for working in this enterprise/profession? *

They don't need it at all I think. I was in vet's office so in my opinion they should have some casual IT-skills.

9. Did the enterprise have an international customer base? If so, how could this be seen at the workplace? *

no, they don't have international customer base.

10. Were the staff multilingual? Did the staff need any foreign languages at this enterprise? *

The staff members talked to me in English and they were talking fluently, but they don't need it in their workplace.

11. Did you think that this industry is prospering? *

Yes, because there are a lot of animals here.

12. What did you learn during your work experience? *

How to do an experiments and work with animals.

13. Did you learn anything new about yourself during your work experience? *

not really.

Make a small video!The advice for making the video: My work experience at..... have you in the paper you have got from your teacher. A *
