

# Illustrator

**Your job is to draw a picture related to what you read in your book. It can be a sketch, cartoon, diagram, map, or a mind map. It can be about something that you read, something that the reading reminded you about, or an element of the story (plot, character, setting).**

**After drawing your picture, write your comments about it. What is your picture of? What is happening? Why did you choose this part? When the circle meets you will first present the picture to the group, and the other members will get a chance to guess what your picture is about. Afterwards you will share your comments about it.**
