My name *

Arttu Tuominen

1. Workplace name? Basic information about the enterprise/work place? What is made/produced /services there? How many people were working there? *

My workplace was a middle school of Erquy, France. The school has 160 pupils and about 15 teachers.

2. What was your first impression about the work place? How were you welcomed? How was the atmosphere/work climate during your work experience? How did they introduce you the work place/premises? Were the workers busy? Was the atmosphere busy? *

When I arrived to the school, I was warmly welcomed by the teachers. The students all seemed very interested in me, as they had many questions to ask.

3. Which qualifications did the workers need for their work? What kind of education was required to work there? *

The workers all were teachers, so they most likely had a teacher's education

4. Were there rules about clothing? Was there business confidentiality? *

There were no clothing restrictions or any special confidentialities that would've been informed about.

5. Did the workers get fringe benefits like a company phone/free calls, lunch, a work canteen, a gym? *

The teachers didn't get fringe benefits from the school.

6. What were your tasks at work? What did you do exactly? *

My day consisted of being in the school's english class and telling the students of myself and my home country of Finland.

7. How well did the staff members work with each other? *

All the staff members seemed to have a good relation between themselves.

8. Which IT-skills did an employee need for working in this enterprise/profession? *

The teachers didn't have to have any special IT-skills.

9. Did the enterprise have an international customer base? If so, how could this be seen at the work place? *

I don't know whether or not the school had international relations to other schools.

10. Were the staff multilingual? Did the staff need any foreign languages at this enterprise? *

The main language of teaching was french. The english teacher also had to have skills in english.

11. Did you think that this industry is prospering? *

I would say had enough students to secure it's future.

12. What did you learn during your work experience? *

I learned that the French middleschool system differs much from the Finnish middleschool system.

13. Did you learn anything new about yourself during your work experience? *

I learned that I would not (necesseraly) be a very good english teacher.

Make a small video!The advice for making the video: My work experience at..... have you in the paper you have got from your teacher. A *
