

# A Report of the teachers - Short exchanges

My Name and a short introduction of myself \*

Julie Corbel and Anne Raffner-Biguët.

The report of the methods used during the exchanges \*

We observed many interesting lessons using different methods. The teachers were very objective and extremely positive in their approach. We saw mainly small classes with listening comprehensions, pairwork, groupwork and sometimes individual tasks. They seemed to have homework most of the time and corrections were made together at the beginning of each class.

We were impressed by the good work rythm kept up by the teachers who were always able to vary their activities.

This is what the teacher should do during the visit'

**Lehrer: 5 Tage Hospitation**

- Muttersprache als Fremdsprache – 1-2 Lektionen CLIL-Methode – kurze Texte – Lesekompetenz wird geübt
- ein paar eigene Methoden in der gastgebenden Schule ausprobieren
- als Team mit dem Partnerlehrer unterrichten
- zukünftige Zusammenarbeit planen
- Bereitstellen von Unterrichtsmaterial von der gastgebenden Schule
- Medienraum, Bibliothek besuchen
- Lehrerfortbildungszentrum zeigen, fakultativ
- außerschulische Lernorte kennen lernen

Something else interesting \*

The great work rhythm and small classes were a plus, however the teachers didn't practice any differentiation.

---

The best things I have seen \*

The actional approach was always successful and motivating even to watch. Anything involving acting, singing and moving is a bonus. We especially appreciated the positivity and indulgence of the teachers at every level.
