Am besten hat mir die Methode: gefallen, weil?/I liked these methods best because...

they permit to innovate. I am a teacher.

Digitale Methoden haben den Vorteil, dass.../Digital methods are advantageous because

they are a way of öotivation for children

Digitale Methoden haben den Nachteil, dass.../the disadvantages of digital methods are...

you must have good equipment and it can take a long time before beginning the lesson.

Wie würdest du eine dieser Methoden deinen Mitschülern beibringen?
/How would you get other students to use these methods?

I could motivate them by using their mobile on that way.

Könntest du dir vorstellen, zusammen mit Mitschülern digitale Materialien (z.B. ein Quizlet) zu erstellen? Welche?/Could you imagine producing digital materials with other students/

or with other teachers, why not ?

Der finnische Unterricht/Lessons in Finland

Wie unterscheidet sich der finnische Unterricht vom Unterricht in deinem Land?/How are lessons different in Finland compared with in your country?

They are not very different, the most important difference is the number of children in a lesson. In France it is almost more than 30 and in Finlande I saw small groupes from 13 to 22.

Was würdest von dem gesehenen Unterricht an deiner Schule auch gerne haben?/What would you like to take from lessons you have seen here to your own school?
