Digitale Methoden haben den Vorteil, dass.../Digital methods are advantageous because

It's advantageous because you can learn quickly

Digitale Methoden haben den Nachteil, dass.../the disadvantages of digital methods are...

it's complicated when it doesn't work

Wie würdest du eine dieser Methoden deinen Mitschülern beibringen?
/How would you get other students to use these methods?

I think that talking to them is the best way to get their attention on these methods

Könntest du dir vorstellen, zusammen mit Mitschülern digitale Materialien (z.B. ein Quizlet) zu erstellen? Welche?/Could you imagine producing digital materials with other students/

Maybe but in France it's too difficult to find a school with materials to offer

Der finnische Schultag/The Finnish school day

Ja/Yes

Nein/No

Welche Vor- und Nachteile siehst du? /Which advantages/disadvantages do you see?

writing on a paper is the best for me I prefer to keep my computer for watching series or something like this

Der finnische Unterricht/Lessons in Finland

Wie unterscheidet sich der finnische Unterricht vom Unterricht in deinem Land?/How are lessons different in Finland compared with in your country?

In finland there are smaller classes and high school so it's easier to learn in these conditions

Was würdest von dem gesehenen Unterricht an deiner Schule auch gerne haben?/What would you like to take from lessons you have seen here to your own school?

I think it would probably be the flipped learning because it's a good way to learn
