How do you learn foreign languages? A few methods which you find are good. How would you like to learn foreign languages? A few tips! - Wie lernst du Fremdsprachen? Einige Methoden, die du gut findest! Wie möchtest du Fremdsprachen lernen? Einige Tipps! *

I learn foreign languages by listening to native speakers and reading them. English is my strong suit, and I learned it by watching a lot of American and British television and movies. I also listen to a lot of music with English vocals. For me, a good method of learning a foreign language is learning everyday phrases and a bit of the vocabulary. That way you can communicate with native speakers, and dive even further into the language. Another tip would be to get to know the culture at least a little bit.
