How do you learn MINT subjects? A few methods which you find are good. How would you like to learn MINT subjects? A few tips! - Wie lernst du MINT Fächer? Einige Methoden, die du gut findest! Wie möchtest du MINT Fächer lernen? Einige Tipps! *

Mostly I learn by hearing something about Physics and Geography. When it comes to Maths, I exercise a lot. My favourite method of learning things that are not taught at school for now is watching documentary films about them, for example Big Bang theory. I would like to do Physics experiments. I think it's the best method of learning, because you can see, hear and touch what you want to learn.
