

Report - your work experience

Beantworte die Fragen hier!

My name *

Philipp Bauknecht

1. Workplace name? Basic information about the enterprise/work place? What is made/produced /services there? How many people were working there? *

The Workplace is named ATPLAST. They are producing plastic parts. 20 people are working at ATPLAST.

2. What was your first impression about the work place? How were you welcomed? How was the atmosphere/work climate during your work experience? How did they introduce you the work place/premises? Were the workers busy? Was the atmosphere busy? *

My first impression was, that the factory is very big. I was warmly received. There was a good work atmosphere and the workers liked each other. The boss of the company gave me and Henri a short presentation. The workers was busy but the atmosphere was cheerful.

3. Which qualifications did the workers need for their work? What kind of education was required to work there? *

You do not need any special qualification to work at ATPLAST.

4. Were there rules about clothing? Was there busines confidentiality? *

There were no special rules about clothing and I do not see any business confidentiality.

5. Did the workers get fringe benefits like a company phone/free calls, lunch, a work canteen, a gym? *

They had a room for lunch and coffee breaks and you could get free coffee.

6. What were your tasks at work? What did you do exactly? *

On my first day I produced plastic mats and packed them.
On my second day I produced and packed pipe end pieces with gasket.
You can see the tasks also in my video.

7. How well did the staff members work with each other? *

The are working good together and there was a good atmosphere.

8. Which IT-skills did an employee need for working in this enterprise/profession? *

You need some IT-skills to program the machines and to use the computer program for logistic.

9. Did the enterprise have an international customer base? If so, how could this be seen at the work place? *

The enterprise have customers in for example Japan, Germany and Portugal.
But I only know this because the boss of ATPLAST told me.

10. Were the staff multilingual? Did the staff need any foreign languages at this enterprise? *

Only some staff members were multilingual. The staff members, which were multilingual need foreign languages to communicate with the international customers.

11. Did you think that this industry is prospering? *

I think the industry is prospering because I have seen the cash flow of ATPLAST.

12. What did you learn during your work experience? *

I learned how to produce and pack plastic parts.

13. Did you learn anything new about yourself during your work experience? *

No, I do not learn something new about myself.

Make a small video!The advice for making the video: My work experience at..... have you in the paper you have got from your teacher. A *

I send the video to the finish teacher.
