Katri Talo

1. Workplace name? Basic information about the enterprise/work place? What is made/produced /services there? How many people were working there? *

Working place don't have actual name. She just work in home with the children. Only one person works there.

2. What was your first impression about the work place? How were you welcomed? How was the atmosphere/work climate during your work experience? How did they introduce you the work place/premises? Were the workers busy? Was the atmosphere busy? *

I saw it in my first day when I came to France. So I live in the work place. There is lots of toys and other important stuff for the children and dangerous places is blocked (stairs, kitchen cupboards and doors). Working was nice and I was welcome to join. I knew the place so introducing wasn't necessary. Not busy it was quite good and calm.

3. Which qualifications did the workers need for their work? What kind of education was required to work there? *

They need education for child care and of course parents need to trust the person that they can leave their children there.

4. Were there rules about clothing? Was there business confidentiality? *

no rules about that. I think there is not confidentially stuff very much.

5. Did the workers get fringe benefits like a company phone/free calls, lunch, a work canteen, a gym? *

No but she is in her own home so she can do what ever she wants to do.

6. What were your tasks at work? What did you do exactly? *

I am taking care of the children and I was helping with all the possible jobs. Every day was different but playing with children, helping them eat and teaching.
