

Students - Careers advice in schools - Orientierung an den Schulen- A Report of the teachers - Short exchanges

My Name and a short introduction of myself *

My name is Liza Markus. I have been a student in the Dabasi Tancsics Mihaly Gimnazium for five years.

The report of the methods used during the exchanges *

The teachers called the students to the blackboard and the students had to do exercises. The teachers often get question and sometimes they explain the curriculum with presentations.

Something else interesting *

The students mustn't go to the classroom during the breaks. Every subject has its own classroom where the students have to go.

The best things I have seen *

There is a choir and theatre study group too.
