

IITIN LUKIO

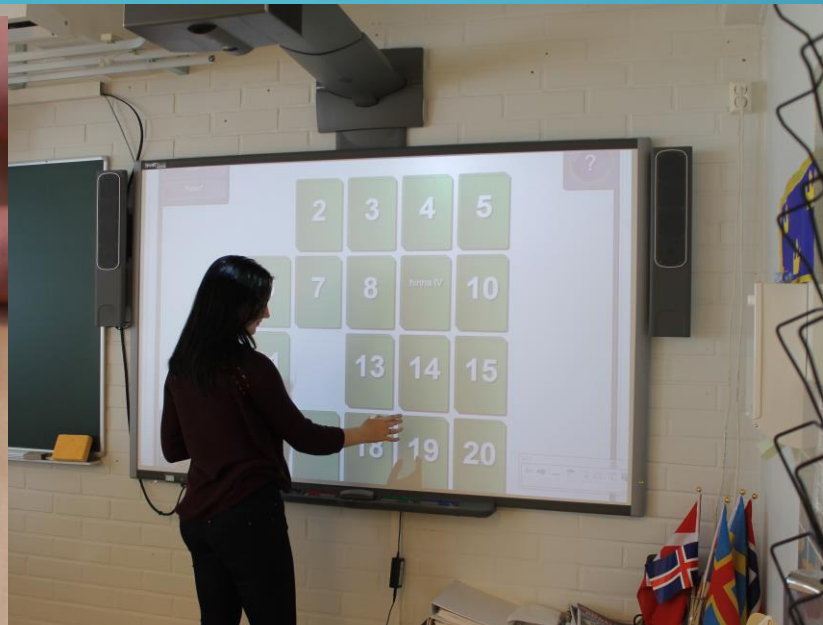

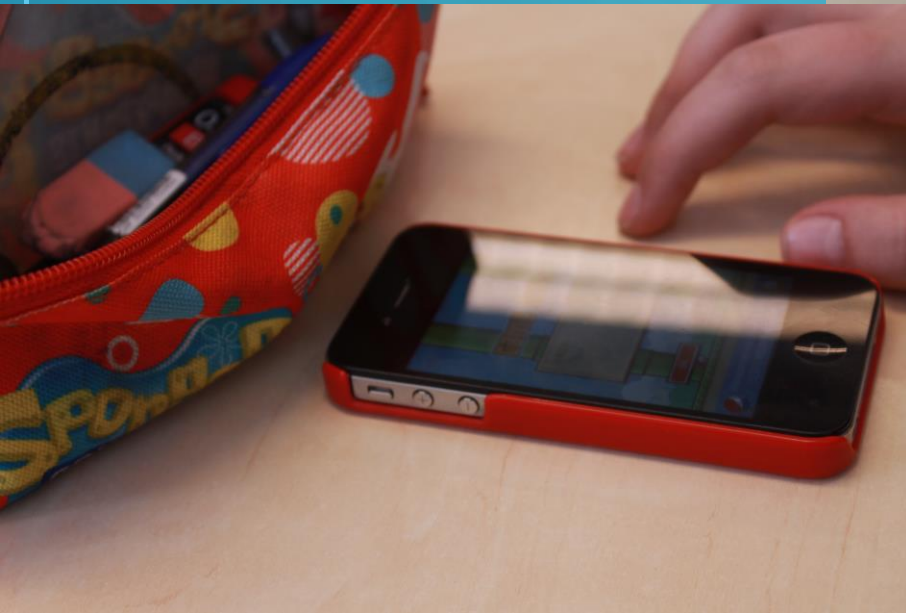

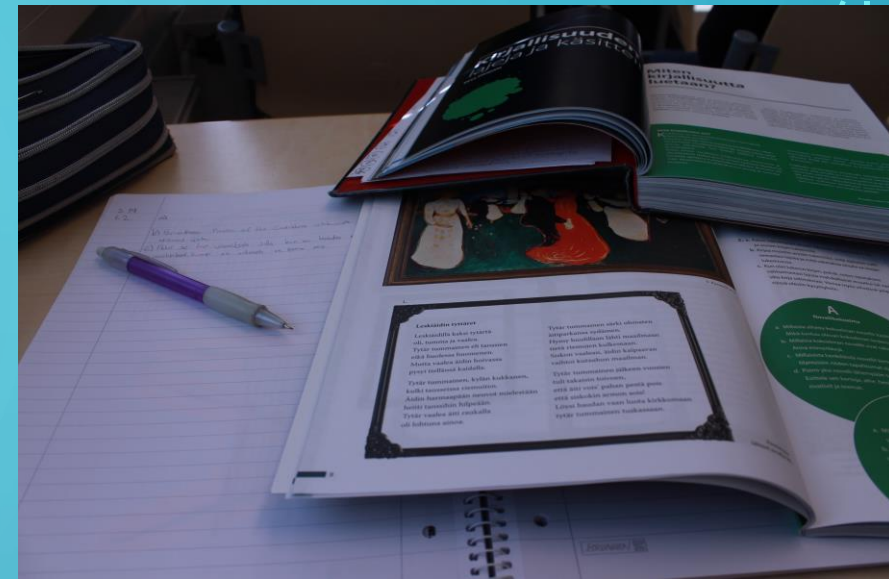

BASIC INFORMATIONS

- Location: near of the center of Iitti
- Students: about 130
- Teachers: about 15

LESSONS

- Normally we have textbooks and notebooks. Someones are also using electronic books.
- In lessons we are also using smartboards, iPads or other tablets and phones.
- Somebodies just feel that Flappy bird is more important than studying ;)
- Our lessons are 45 mins and breaks 15 mins.
- We have about 6-7 lessons in a day. (à 45 mins)

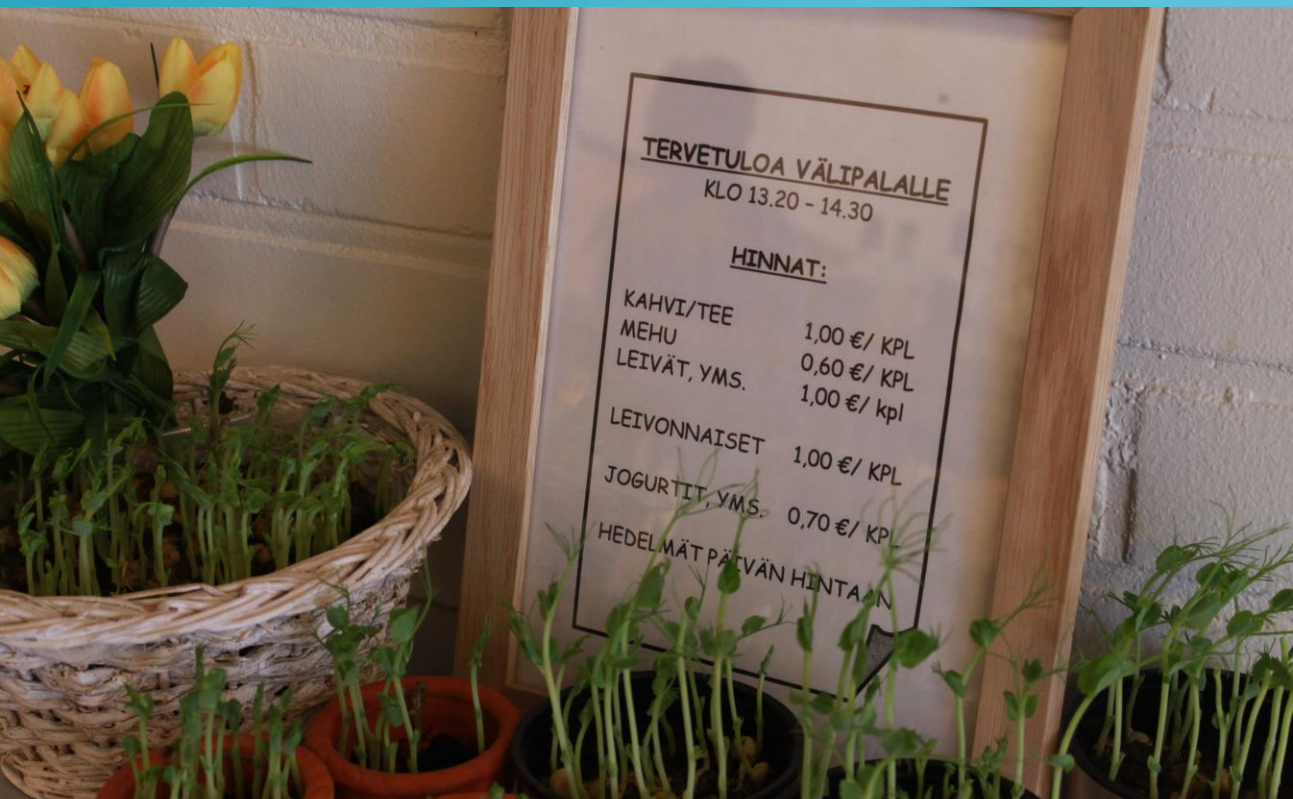

BREAKS AND FREE LESSONS

- Usually we spend our breaks in the hallways.
- Others spend their free time in a place called *Monttu*.
- In *Monttu* we can play billiards or ping-pong, listen to music or just relax.
- Our high schools oldest pupils aka *Abit* have taken over the sofas on the hallways.

LUNCH

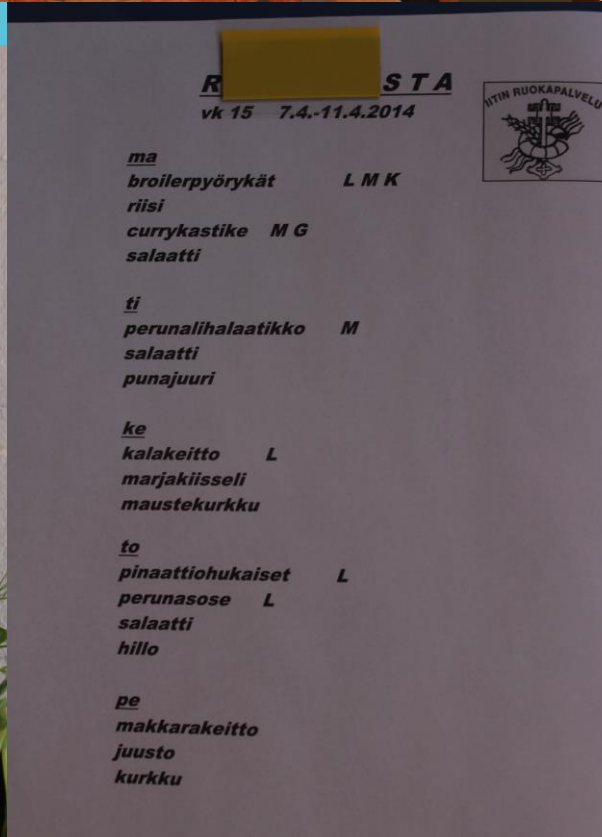

- Our lunch is in fourth lesson about 12 o'clock.
- Our lunch is free and usually it's very good. We also have snacks what costs about two euros.

PLACES

- Library
- Dining hroom
- Auditorium
- Classrooms
- Monttu (kind of a bomb shelter, random being place)

Library and dining room

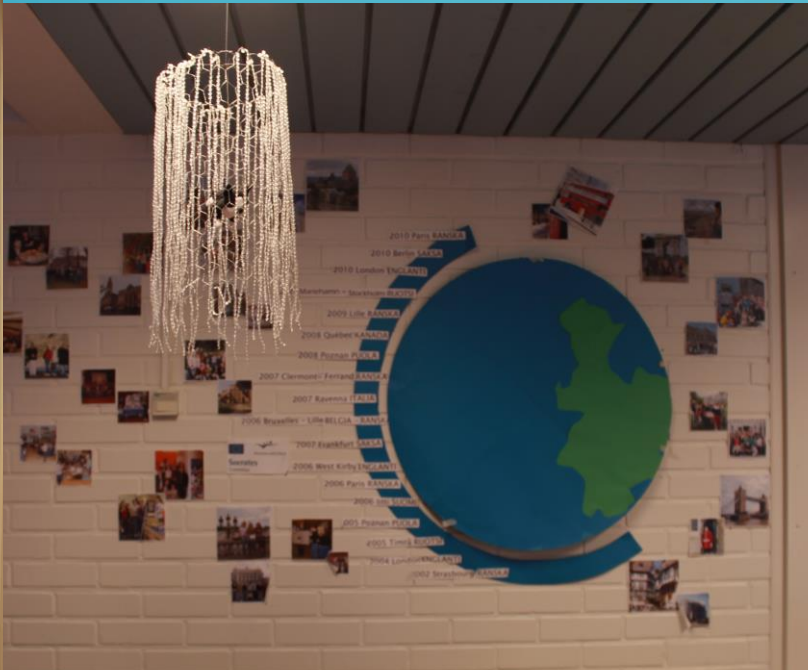

Auditorium

HALLWAYS

- A lot of works from the art lessons. In the pictures you can see famous finnish game *Angry Birds* and the story of *Moomins*.
- Down below is a picture of different study trips.
- There's also pictures of every class's students.

CELEBRATION TIME

- Every year second-graders are dancing seniordances.
- And third-graders are celebrating the end of the school, dressing up in funny clothes and throwing candy.

IITTIS OTHER SCHOOLS

- litti also has elementary schools, the biggest of them is known as Kausalan koulu.
- People start school at age of 7 and the elementary school lasts 6 years.
- litti has only one junior high school and people study there 3 years.
- After that the students will continue their studies wherever they want to or just stop studying.

The background is a gradient of blue, transitioning from a lighter shade at the top to a darker shade at the bottom. In the four corners, there are decorative white line-art elements resembling circuit traces or a network diagram, with small circles at the end of the lines.

Merci !
