

Cultural Olympics

What is this all about?

- A playful competition in the field of culture
- Getting to know one another
- Learning about each other's countries and culture
- Learning to understand each other
- Using your language skills
- Involving pupils from different age groups

"The most important thing is not to win but to take part!"

**Five themes
symbolizing the five
Olympic rings**

Theme 1: Cuisine

- Presenting some typical, traditional dishes of the country
- Presenting the modern cuisine of the country
- Writing a recipe book
- Testing the different recipes : making food, making videos of the project

Theme 2: Music

- Presenting some typical features of the music of the country:
 - great composers
 - what kind of music do people listen to
 - pupils' favourites
- Videos of own performances
(Eurovision song contest! :))

Theme 3: Sports

- Favourite sports
- Favourite sports men and women
- Teaching others some games:
 - writing down the rules
 - making a video: how to play this game

Theme 4: Literature

- presenting some writers of different eras
- presenting some basic novels and literary works
 - e.g. making trailers of the works

Theme 5: Innovations

- the idea: did you know that “Fiskars scissors” come from Finland?
 - presenting ideas, inventions, objects etc. that are widely known also outside your own country

**Will you take the
Challenge and join us?**
