

A wide-angle photograph of a winter landscape. A snow-covered path with tracks from a vehicle or sled leads from the foreground towards the horizon. The path is flanked by snow-covered trees and bushes. The sun is low on the horizon, creating a bright starburst effect and casting long, soft shadows. The sky is a clear, pale blue.

# Ympäristöraati

# What is ympäristöraati?

- 7th -9th grades students
- is based on volunteering
- meets on average once a month
- since 2003
