

Theories and concepts:

Leadership Theories Emphasizing Teaching, Learning and Curriculum

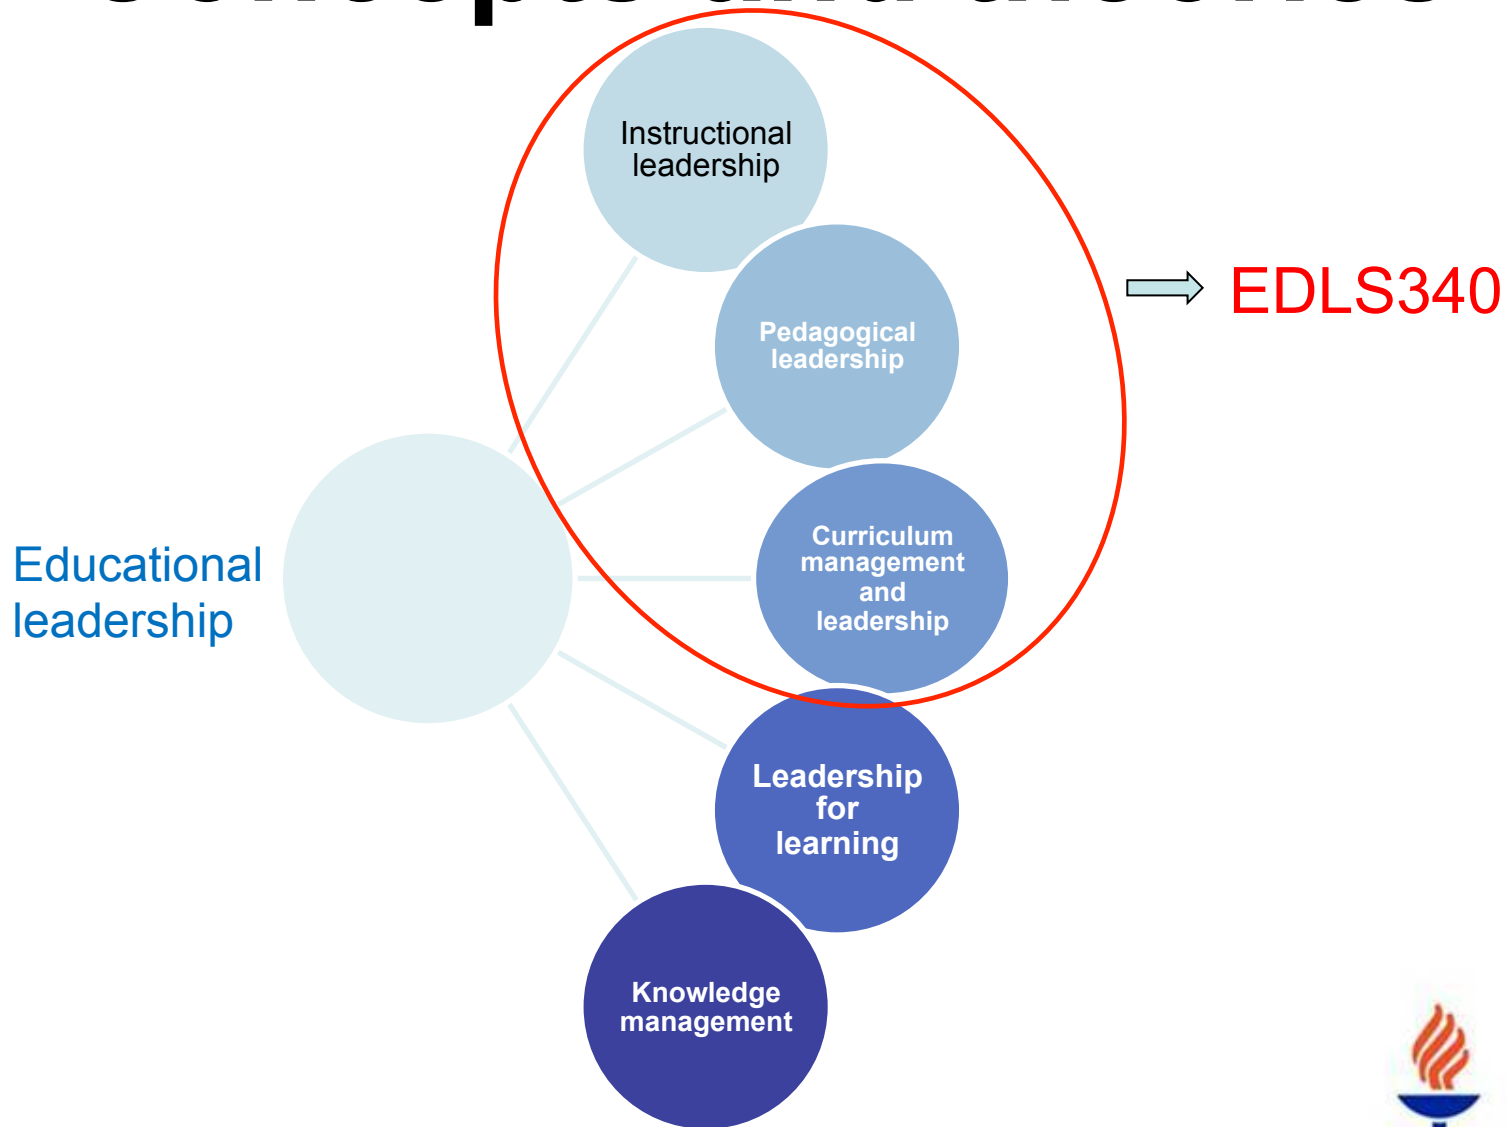

Perspectives

Session 2 Lecture 3

Concepts and theories

(Alava 2008; Alava, Halttunen & Risku, 2012; MacBeath 2002; MacNeill, Cavanaugh & Silcox 2003; Raasumaa 2010; Risku, 2010; Southworth 2002)

Session 2 Lecture 3

Comparing Instructional and Pedagogical Leadership

Group discussion on the reading

Please review Macneill, Cavanagh and Silcox's (2005) article and write down the key points for each question.

1. How has the article been constructed?
2. What is the main purpose of the article?
3. How is *instructional leadership* deemed?
 - a) How is the perception justified?
4. How is *pedagogic leadership* deemed?
 - a) How is the perception justified?
5. What is the relationship of pedagogical leadership with leadership a) in general, b) with change and c) with moral?
6. How does the article conclude its review?
