

Teacher Training *For* English

Early language learning

“Always refreshing to operate within the subject content i.e. this time with a native speaker.”

“Inspiring and included lots of fun”

“The right way to approach English learning at the beginning”

“Proper amount of theory & practice”

Phonics and language training – Covers new English goals for National Core Curriculum for Basic Education – Lesson plans and resources – Songs, actions and games – Perfect for Grades 1 and 2

Two day workshop introduces:

1 Foreign language pedagogy for younger learners

2 English phonics and sounds-based activities

3 Materials development and lesson plans
