

Leskenlehti,

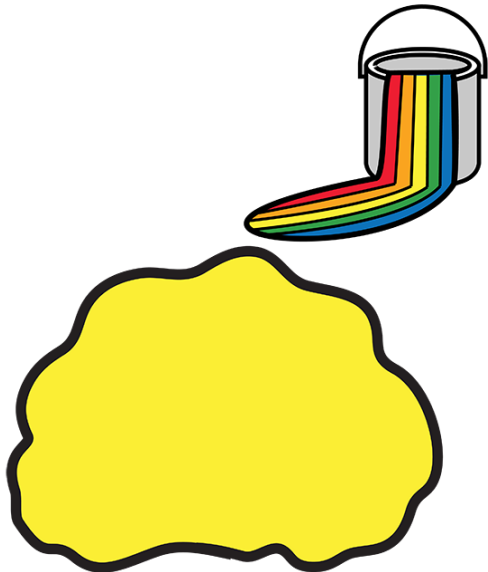

aurinko,

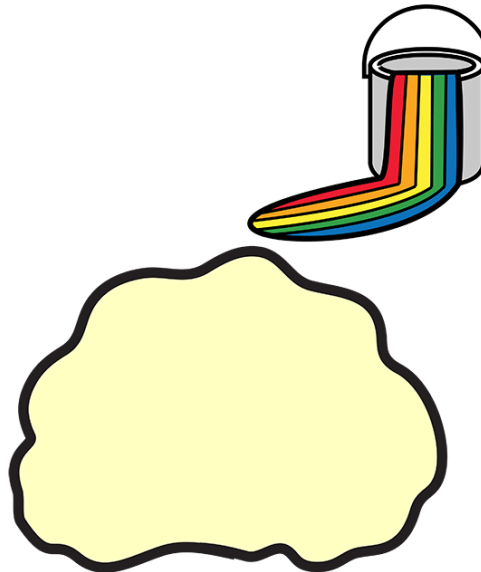

värin arvasitko jo?

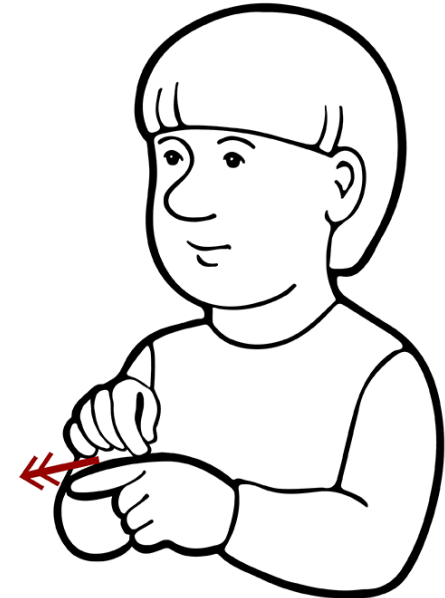

Se on keltainen,

se väri on keltainen.

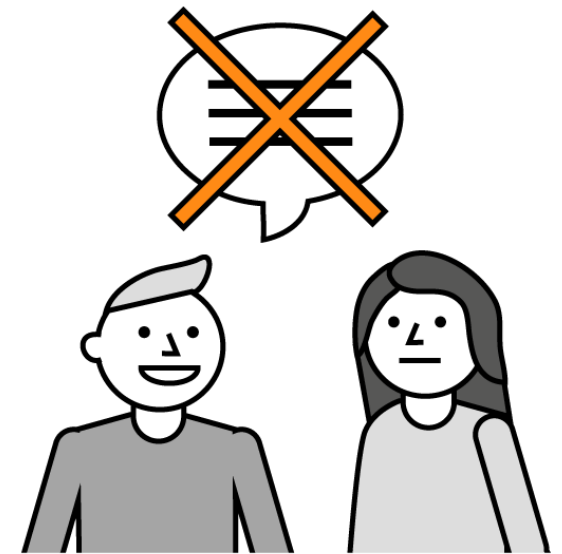

Mansikassa

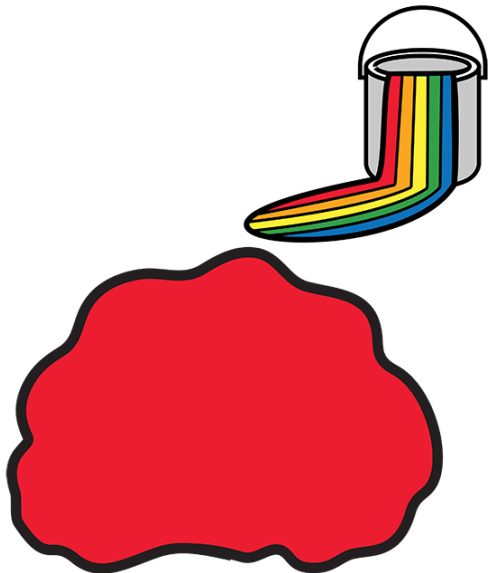

kuonon pää,

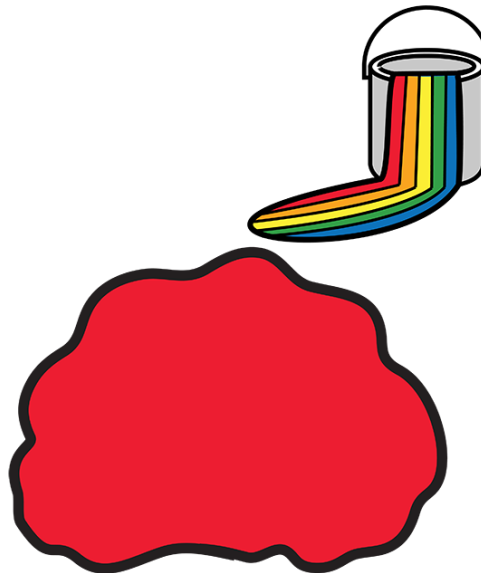

enkä kerro enempää.

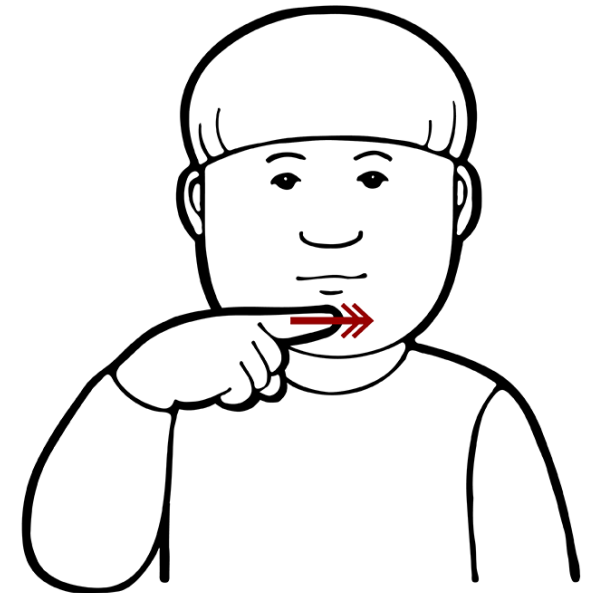

Se on punainen,

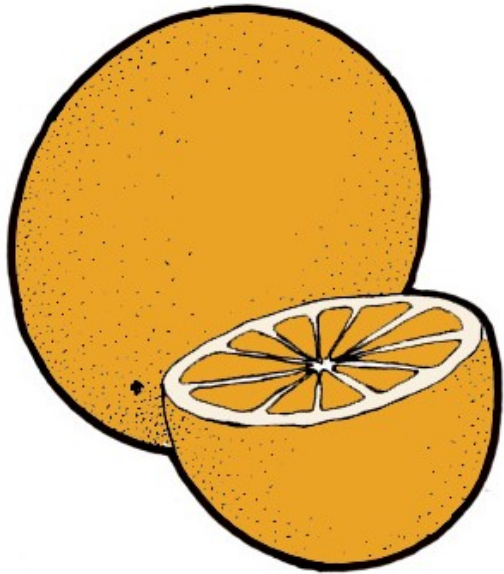

se on punainen

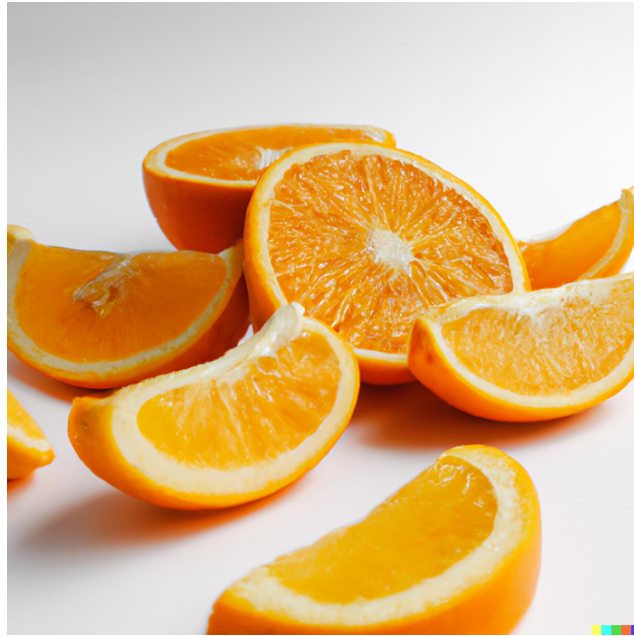

se väri on punainen.

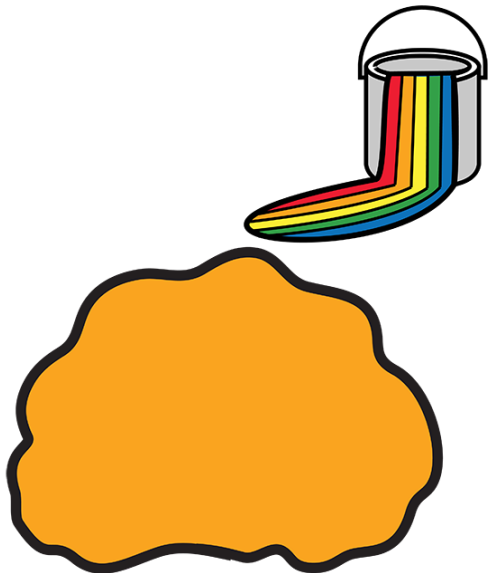

Pyöreä ja varsin fiini,

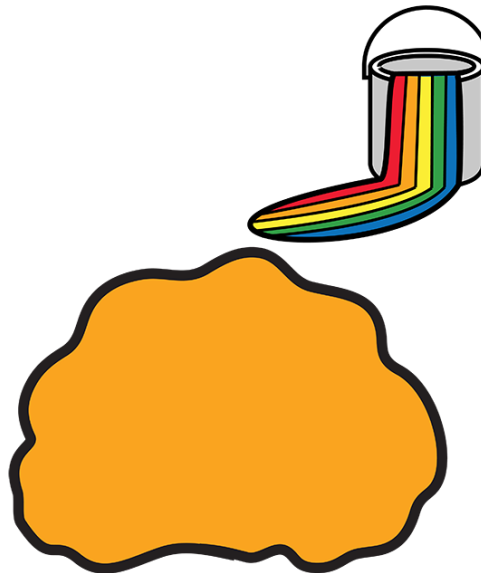

ulkomainen appelsiini.

Se on oranssi,

se on oranssi,

se väri on oranssi

Ruohon tupsu,

koivunlehti,

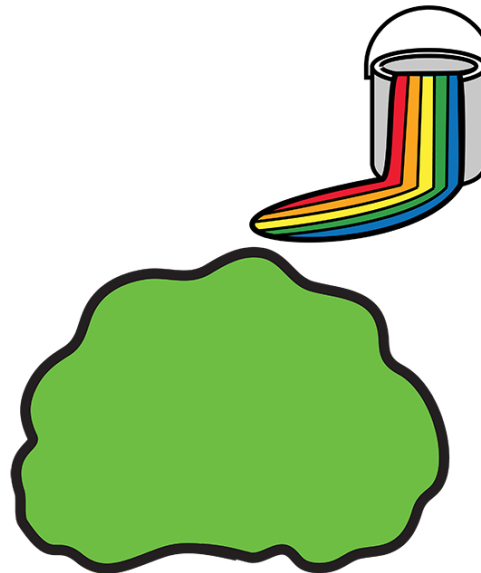

kesän väri puuhun ehti.

Se on vihreä,

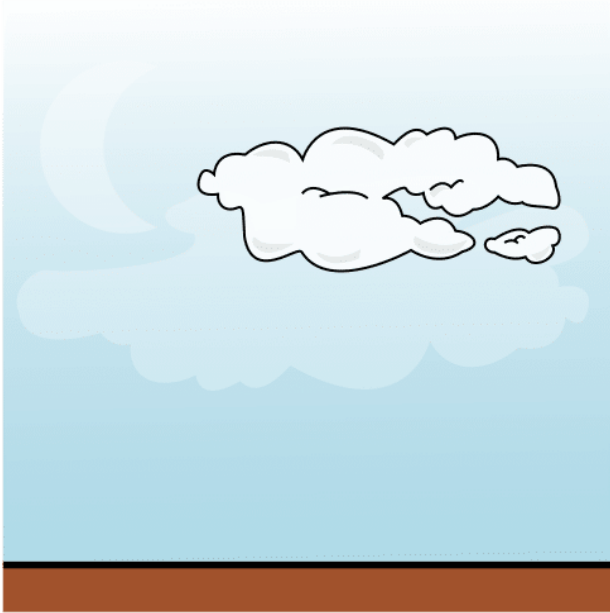

se on vihreä,

se väri on vihreä

Taivaan merta,

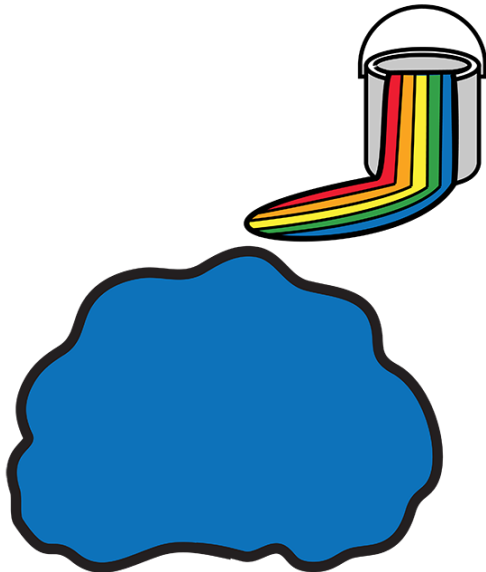

mustikkaa

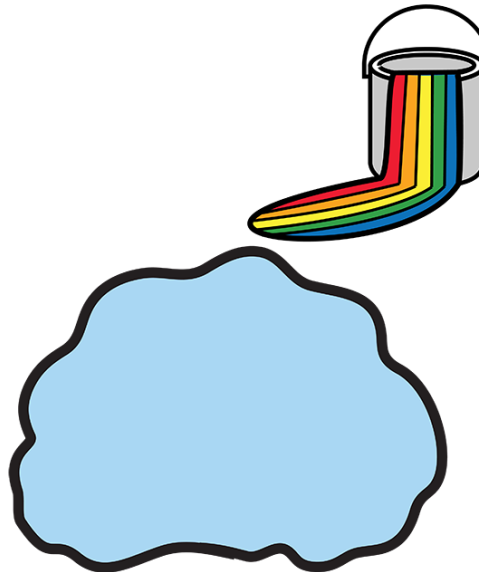

sitä et voi unohtaa.

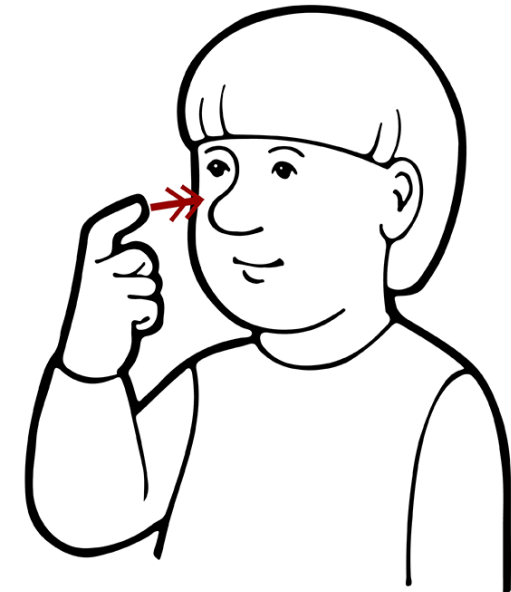

Se on sininen,

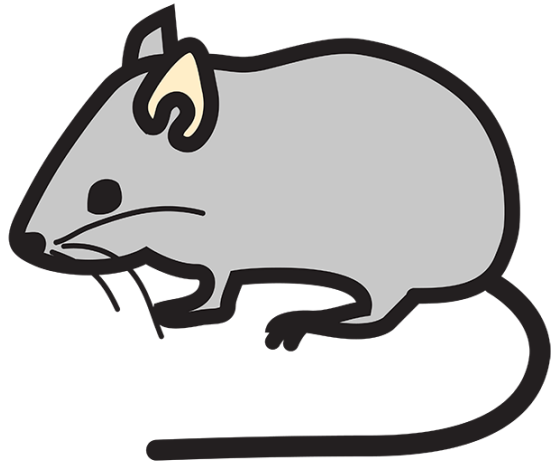

se on sininen,

se väri on sininen

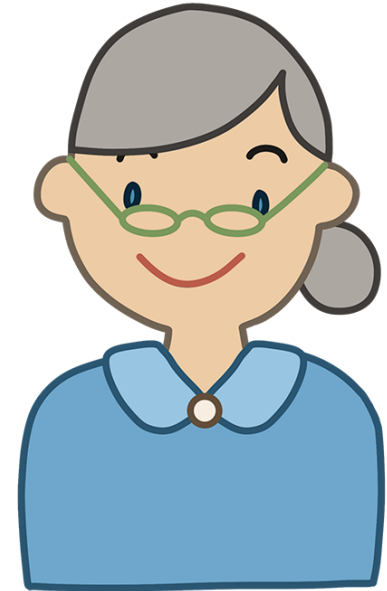

Hiiren turkki,

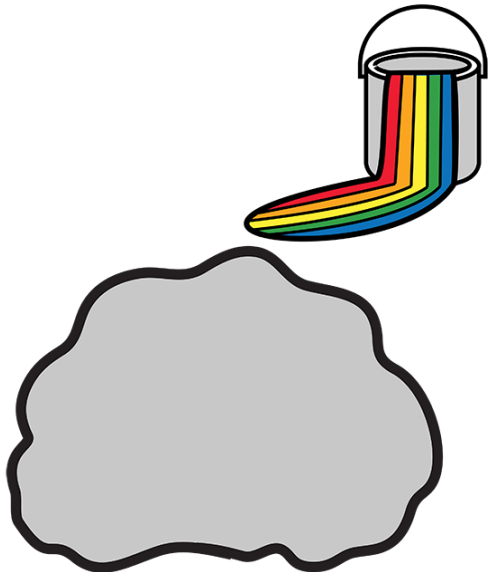

villasukka,

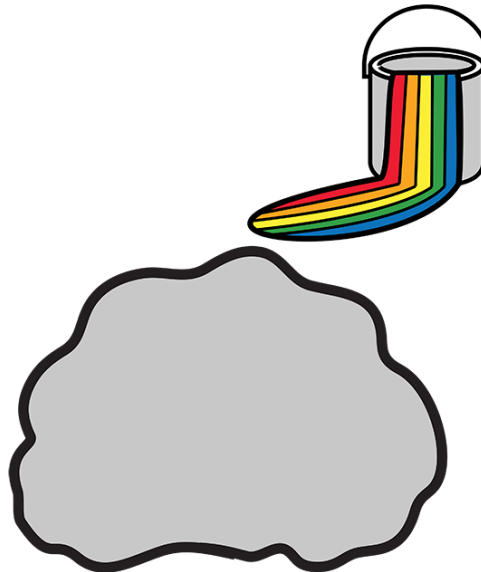

hahtuvainen mummon tukka.

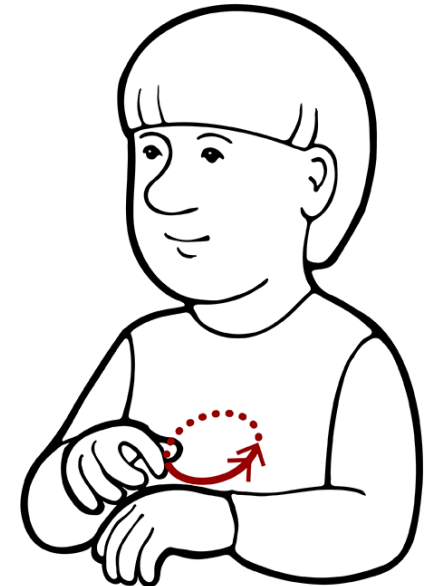

Se on harmaa,

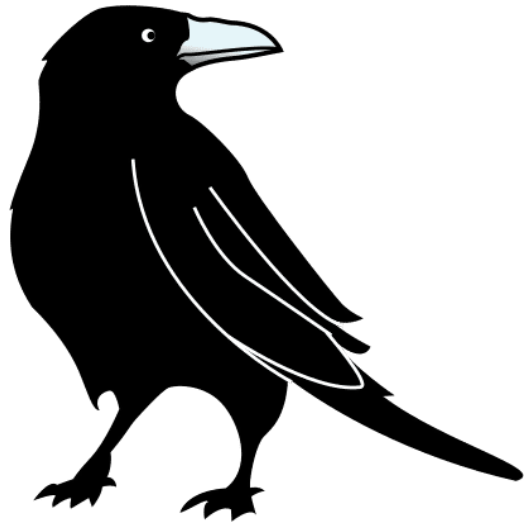

se on harmaa,

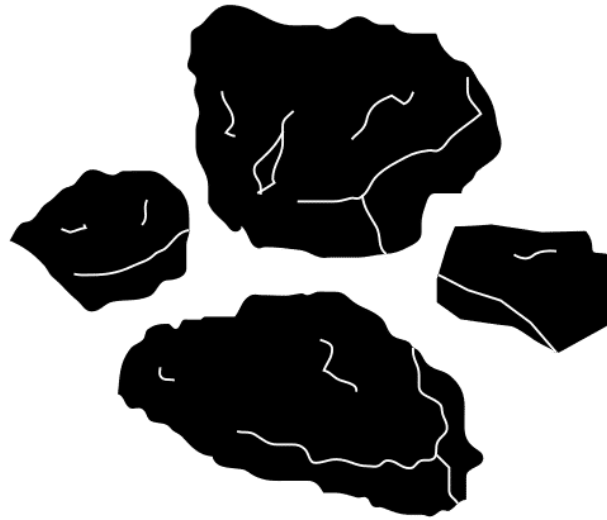

se väri on harmaa

Korpin sulka,

hiili, noki

värin arvaathan jo toki!

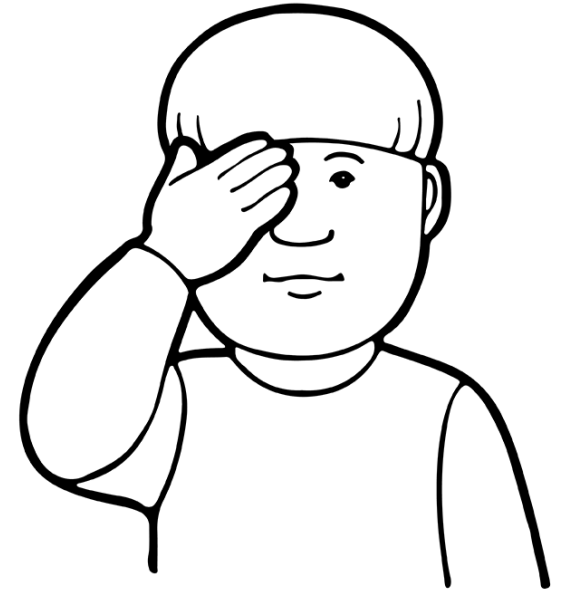

Se on musta,

Se on musta

se väri on musta

Lumilintu,

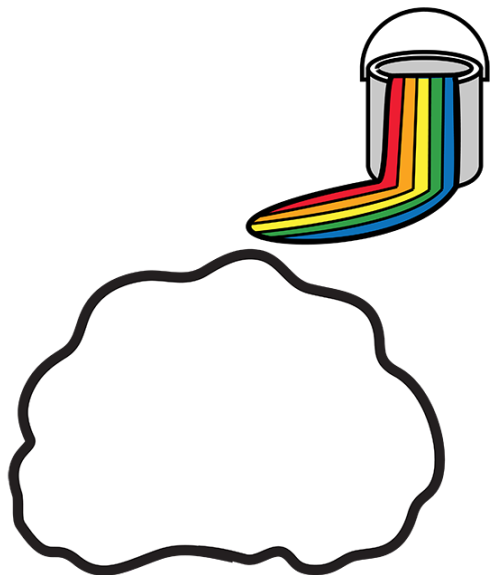

pilvilammas,

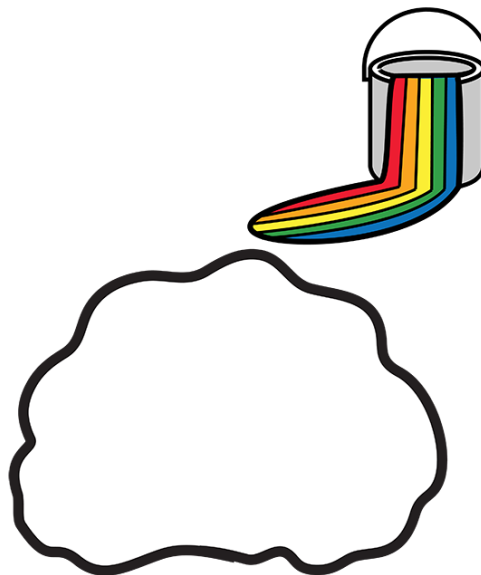

lelukarhun kulmahammas.

Se on valkoinen,

se on valkoinen

se väri on valkoinen.
