Find you child's daycare center and group and send a join request to your child's group page

### START USING

In the future you will find back to your child's daycare center and group page easily, if you subscribe it. To subscribe, go to your child's group page and press a star sign ★ that is in the right upper corner of the page. Check boxes "display this service in my links", "subscribe notifications...", and "show notifications". Then SAVE your new settings. Now when you sign in to peda.net, you find a direct link to your child's group pages.
