

Be mine - Now and forever
Be mine - You are my treasure
Be mine - Please tell me it's true
Be mine - I love you!

Roses are red,
Violets are blue,
Sugar is sweet,
And so are you!

*There are many colours
But my favourite is blue
There are many boys/girls
But I only think of you.*

You are very sweet
You are very smart
And I love you
With all of my heart.

I love you today
As I have from the start,
And I'll love you forever
With all of my heart

*Here's a special letter
Addressed to you
It says "You're my Valentine"
I hope I'm yours too.*

There are three little words
I want to say just to you
They are small, but true:
I LOVE YOU!

Valentines, valentines
Red, white and blue
I'll make a nice one
And send it to you.
