Dear Director

It's a pleasure for me to invite seven students and one teacher from your school to take part in the international workshop "Math 2020" organized by Associazione Subalpina Mathesis which will be held in Torino and in Bardonecchia (Italy) next 10th -15th May 2020.

The meetings "Math xxx" have been organized in the last 24 years by a group of Mathematics teachers and Associazione Subalpina Mathesis, in partnership with the Mathematics Department of the University of Torino.

This year we are going to organize again an international version of the meeting where all the activities will be held in English. Participants will come from Finland, Norway, The Netherlands, Russia and Italy.

A draft of the programme is the following.

	Morning	Afternoon	Evening
Sunday 10 th May 2020	Arrival in Milano or Torino airport. Transfer to Torino city. First look at the city center		Night in Torino
Monday 11 th May 2020	08:00 Travel to Bardonecchia. Introduction. Ice breaking games. Math programme	Math programme	Walk to Forte di Bramafan. Night in Bardonecchia
Tuesday 12 th May 2020	Math programme	Treasure hunting in the neighbourhood of Bardonecchia	Mathematical games or origami Night in Bardonecchia
Wednesday 13 th May 2020	Math programme	Mathematical treasure hunting. Final ceremony in Bardonecchia. Travel to Torino.	Free Night in Torino
Thursday 14 th May 2020	Torino discovery game. Visiting the Science Academy of Torino.	Free time for visiting the city centre and shopping	Musical event at Liceo Cattaneo. Night in Torino
Friday 15 th May 2020	Visiting Torino. Transfer to airport and leaving.		

The workshop is intended to be for students of grade 10 (age 15-16) or grade 11 (age 16-17) particularly interested and motivated in Math.

Since the mathematical topic and activities will be similar to those of the previous editions, we request you to select students who did not come last year.

The coordinator of the organizing committee is the principal of Liceo Scientifico "Carlo Cattaneo" of Torino, Mr. Giorgio Pidello (e-mail: giorgio.pidello@gmail.com; mobile: +393407323228). You can contact him for any further information concerning the workshop and your staying in Italy.

If you arrive in **Milano airport**, the total fee is **370,00 Euros per person both for students and for teachers**.

If you arrive in **Torino airport**, the total fee is **340,00 Euros per person both for students and for teachers**.

The price includes

- airport transfers from Milano airport to Torino and vice versa
- bus travel Torino - Bardonecchia forth and back
- three nights in hotel in Torino and two nights in the Olympic Village in Bardonecchia
- breakfast and dinner in Torino and Bardonecchia; 3 lunches in Bardonecchia
- entrance to museums
- t-shirt, activity book.

The price does not include

- flight tickets
- lunches in Torino

I kindly ask you

1. to let professor Pidello know as soon as possible all the details about your flights
2. to send as soon as possible to professor Pidello the list of participants (students and teachers).
3. to pay **within 29th February 2020** the total fee (370,00 euros or 340,00 euros per participant, including teachers) to the following bank account
owner: Associazione Subalpina Mathesis
IBAN: IT13V0200801046000001842783
BIC SWIFT: UNCRITM1BD4

Looking forward meeting your students and teachers in Italy, I wish you the best for your school activities.

Sincerely yours

Professor Cristina SABENA
President of Associazione Subalpina Mathesis

Torino, December the 16th 2019
