A cartoon illustration of a woman with black hair in a bun, wearing a red dress, standing on a sidewalk. She is holding a glass jar filled with red and white candies. A speech bubble above her contains the Finnish text "Nyt on karkit ostettu!". In the background, there is a building with a grey door and a red brick facade. In the foreground, a red sports car and a red and black motorcycle are parked on the street.

Nyt on karkit  
ostettu!

Nyt kotiin!

Siinä teille
