

- **Hi there!**
- I am writing to let you know about the **bummer** we had with our festival tickets. **Me and my mates** were **pissed** about the Blockfest in Tampere. The **happening** took place **around the second weekend** in August.
- **So** we've attended **like lots of** Blockfests and every time there are **these flaming** cancellations. Travis Scott, Lil Pump, Gucci Mane - **you name it!** The tickets cost me **an arm and a leg**. To tell you the truth - I had worked **a lot** for **this** weekend. It's not easy to study and work, **you know!**
- **Anyways**, I want **me** money back.
- **Tada.**

- **Dear Sirs,**
- I am writing to let you know about the **disappointment** we **experienced** with our festival tickets.
- **I and my friends** were **disappointed in** the Blockfest in Tampere.
- The **event** took place **on (the) 1(st) – 3(rd) (of)** August.
- ~~So~~ **/As it happens**, we've attended **many** Blockfests and
- every time, there are **frustrating** cancellations
- **for example** Travis Scott, Lil Pump, Gucci Mane – **to name a few!**
- The tickets **were very/rather/quite expensive.**
- To tell you the truth - I had worked **a great deal/very much** for **the** weekend.
- **In fact/as a matter of fact**, it's not easy to study and work! (as you may well understand)
- **In short/consequently/ therefore**, I would like my tickets refunded/**I think getting the money back (getting a refund) for the tickets would be in order.**
- **With kind regards/with best regards/your sincerely,**
- Victoria Velvet
