1. Alem used his native tongue instead of English.
2. The colour of the immigration officer's hair.
3. He loved the big building, which reminded him of space stations in films.  
/ Everything looked busy but organized.
4. He said it was just a routine check.
5. That they only had two pieces of luggage with them. / They had come a long way just to have a brief holiday.
6. He was aware of the fact that his spoken English wasn't perhaps as good as it could be.
7. Alem started talking about the weather when they came out.
8. It was close to the airport, and he wouldn't make much money driving customers there.
