# Kielioppitehtävä 4

1. Honest people don't have to worry about meeting policemen if thieves break into their homes.
2. Those babies still have broken teeth and long, grey hairs growing from their ears.
3. My godchildren have sheep and deer but they have never seen lice or mice.
4. The wolves in the stories eat calves but not the horses.
5. There are shelves with rainbow trout on them in local stores.

# Kielioppitehtävä 5

1. Does every man, woman and child in Britain like this reality TV series that features a family?
2. Has there been a financial crisis and an analysis for the reason for it?
3. Is this the most important criterium for a refugee to choose a new home country?
4. Is this the best means of crossing that crossroads?
5. Does every animal species frighten your child or just the spider, tick and the insect larva?
6. The basis of the argument was solid: the curriculum needs to be changed now.
