1. I wish / If only I had studied more biology.
2. Even though I am an ordinary citizen, I can still make a difference / I can still change things.
3. I wish / If only I had time to grow my own vegetables.
4. Some people act as if they didn't care about anything.
5. You couldn't have made a better decision even if you had tried.
6. Joey wouldn't have travelled abroad even if his parents had paid for the ticket.
7. What will happen if sea levels keep rising?
8. Even if we slowed down the rising temperatures, we would still see dramatic changes on the coastlines.
