

G16

1. Have been lost
2. Are created
3. Are reintroduced
4. Left
5. Were born
6. Have been given
7. Has been criticised
8. Are needed
9. Does not have to be carried out
10. Were asked

G17

1. Water samples are taken from the pond each week/weekly.
2. They are currently being analysed.
3. Large concentrations of bacteria were found last month.
4. The bad results had been expected/anticipated.
5. Waste must have been thrown into the pond.
6. Birds had to be rescued from the contaminated/polluted water.
7. Now better results are expected/desired.
8. Visitors should be told how to behave on a nature reserve.
