approx. 350 students

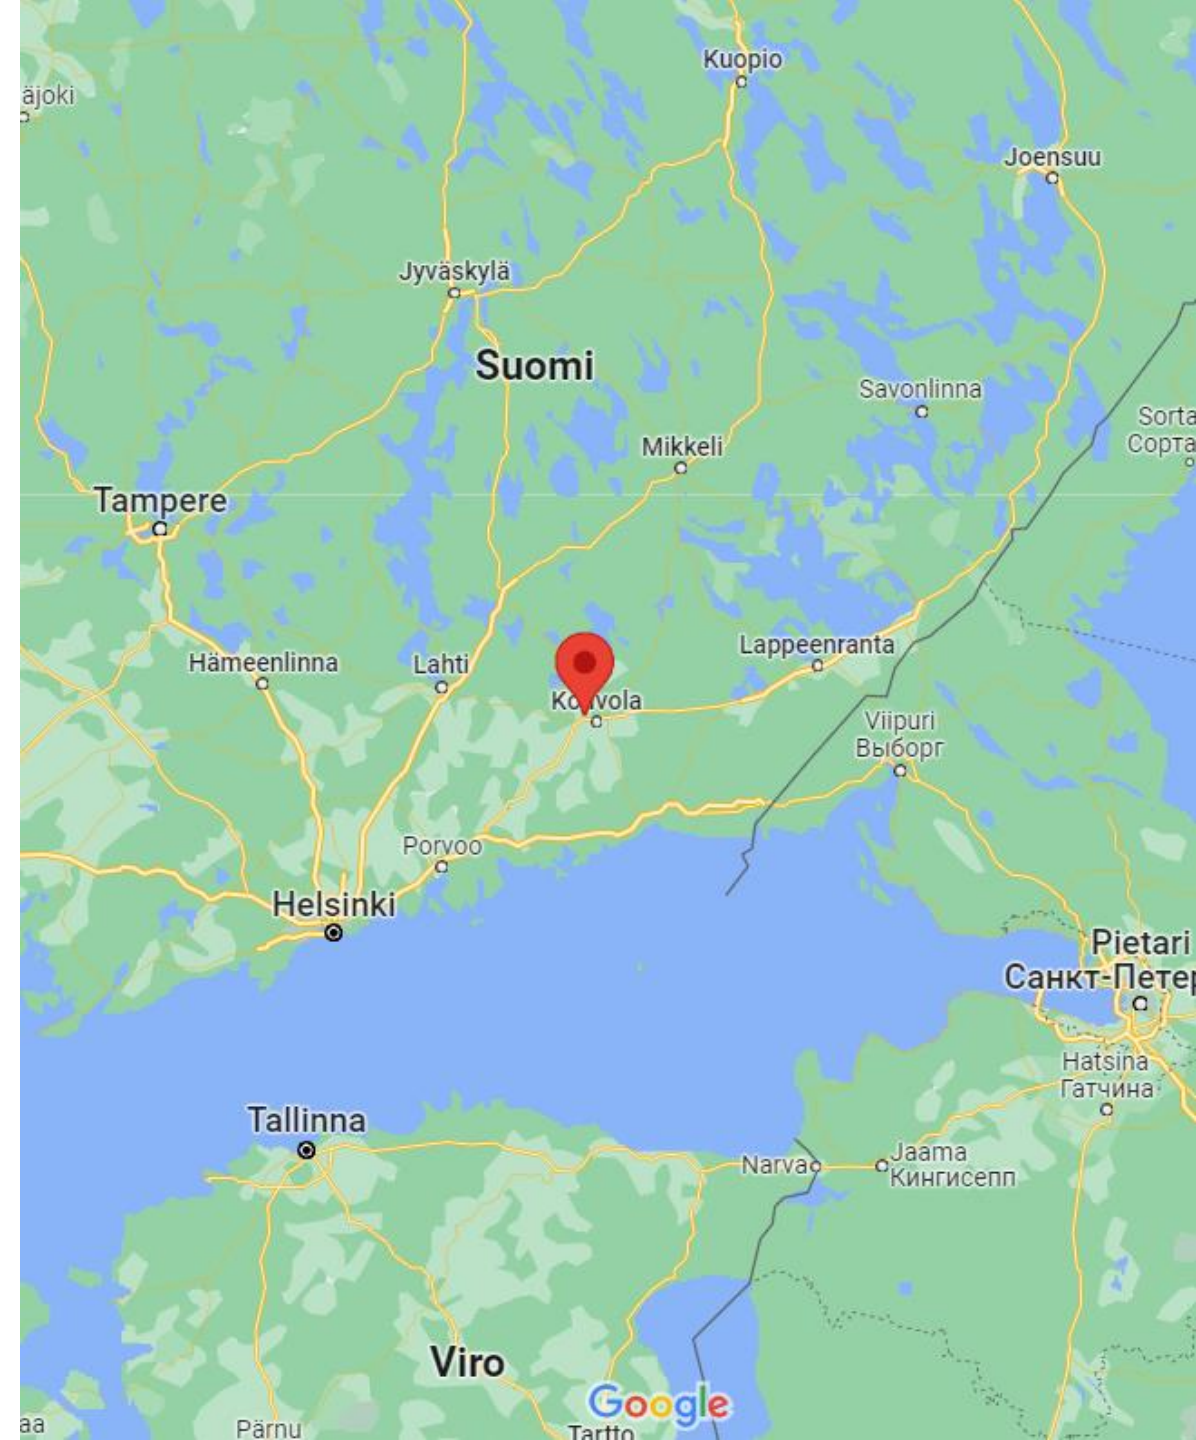

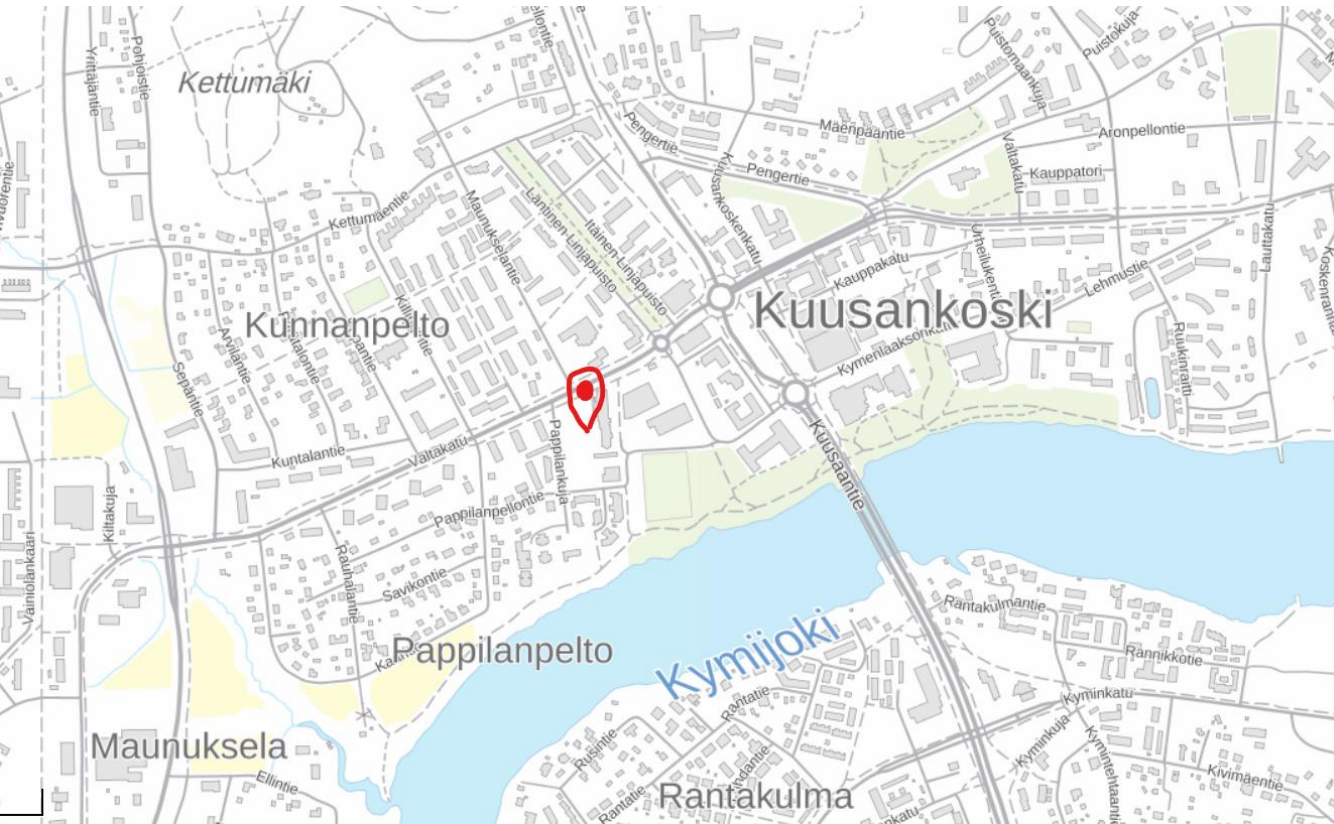

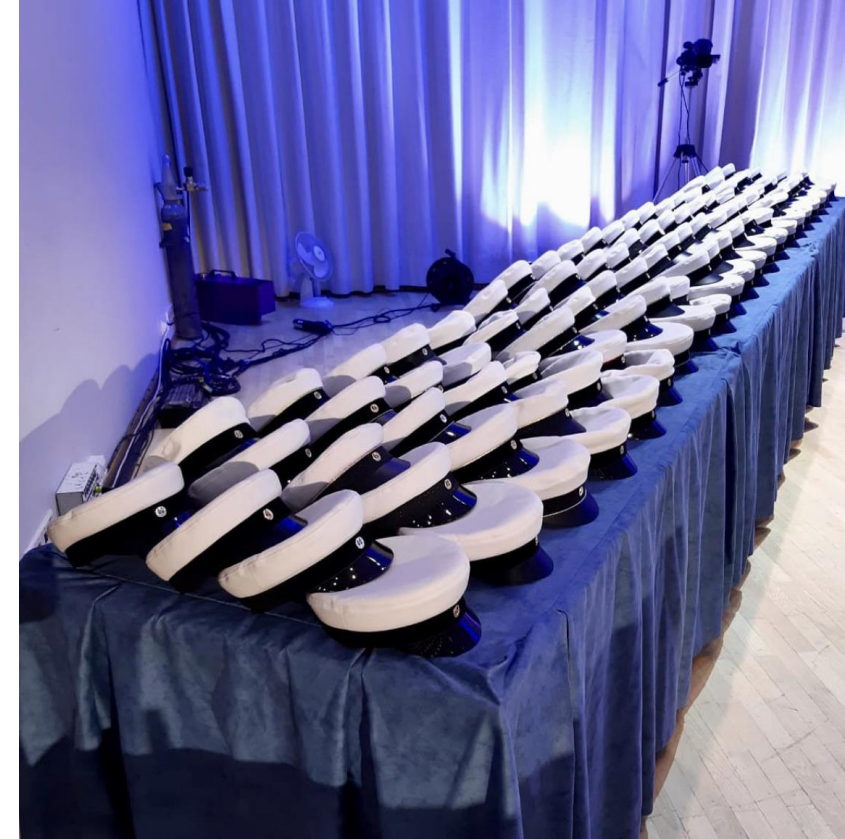

our own magazine *Kuuluset*

- Business courses:

- Basic Studies.
- Business Camp.
- Young Business program.
- International studies.

- The picture on the right shows the location in Finland and our school is located in Southern Finland
- In the other picture shows the location of our school in Kuusankoski.

School traditions

- Penkkarit = The seniors (abit) celebrate the end of their studies before the last exams while dressed in costumes and visiting other schools to throw candy.
- Wanhojen tanssit = prom. It's after penkkarit because the second-year students celebrate becoming seniors. They learn dances to perform to relatives and other school students.
- Ylioppilaskirjoitukset/Ylppärit = matriculation examination, final exams.
- We also have different theme days. (Halloween, Easter, sports day). During these days we have different kinds of competitions with good prizes to win.

We chose one example of sustainability in our school

RECYCLING BOTTLES AND CANS.

MONEY FROM THE BOTTLES IS USED BY
THE STUDENT UNION.

RECYCLING GARBAGE AND
GARBAGE CANS ALL AROUND THE
SCHOOL.

We are very excited to be here and thank you for this opportunity
