

Senior high school of Kuusankoski

History

- Our school was founded in 1921, but this building was built in 1957
- First students graduated in 1946
- This building was renovated in 2007

General information

- There are 370 students and 32 teachers
- Every year 144 new students can start their studies here

Studies

- Our school aims to provide us students with good general education and everything we need for future studies
- It takes 2-4 years to complete studies depending on person
- Studying is often quite flexible, and students can make their studies suitable for themselves

Traditions

- Carneval organised by senior students "penkkarit"
- Gala dances of second year student
