It was time to leave Royan. Our host families brought us to the train station and we said goodbyes to them. We went from Royan to Paris with a train.

In Paris we had a delicious lunch in a Lebanese restaurant.

On a mangé des fraises très délicieuses.

After lunch in Paris we took a bus to the airport and from there we flied back to Finland. We took a bus from Helsinki to Kuopio. It took 24 hours to travel from Royan back to Kuopio. We'll miss Royan and people there so much!
