

Kaunas Water Enterprises

Ksenia Tsavelidze, Mykolas Peleckis, Indre Martyna Pilipaityte, Heli Mäki

Water improvement equipment

- We saw how water is being cleaned and we saw how water is going to the people.

Control Room

- We saw how men control the pumps.

Wastewater treatment plant

- We saw how workers make the water cleaner. There was a bad smell of dirty water, but it didn't ruin our day 😊
