

Menin ylös kukkulalle,  
Katsoin veteen.  
Kun vesi hehkuu,  
Laventeli huojuu.

Ma tõusin mäele  
Ma vaatasin vette.  
Kus vesi hõõgus  
Lavendel kiikus

Я поднялся на гору  
Посмотрел на воду.  
Где сияла вода  
И качалась лаванда.

Aš užėisiu ant kalno  
Pažiūrėsiu vandenin.  
Kur vanduo liūliuoja  
Levandrela siūbuoja.

I went up the hill,  
Looked at the water.  
Where the water glows,  
A Lavender swings.

The players are divided into two equal sets, one goes out.

Inside, each chooses a partner in the room.

Outside people come one by one to bow to whom they want.

If one of them bows to someone who has not picked him up, he has to say "Water in a boot" and he has to hop out of the room on one foot.

If one of them bows to the right guy, the guy has to say "The sun is shining" and he can stay inside. Everyone has to go hopping until they hit the right one. Once everyone has found their partner, teams will swap.
